Library Building Possibility Soon.

There is now a suggestion to erect a library building here rather than add to the reading room. The argument used is that the city should not be the leader in the erection of shacks. The present reading room is not an imposing building and to add to it would, it is suggested, be to start a precedent which should be discouraged.

The Daily News is wholly in favor of the erection of a good library building here as long as it does not cause inordinate delay in the establishment of the public library. Financing was put forward as the reason why a library could not be established, and that is the reason the Library Association was afraid to ask too much. The essential for a library is a collection of books and a trained librarian. The next important thing is a suitable building. As long as the erection of the building does not endanger the essentials, the idea will be acclaimed by everyone interested in the institution.

Rotary Anniversary Is Held Today.

This is the anniversary of the establishment of the first Rotary Club. It began in a small way and increased rapidly until today there are clubs in almost every English-speaking city and in many others. Perhaps Prince Rupert people are not much interested in this institution. It is not large or imposing. It is supposed to be a nucleus of activity for the public benefit. The members do not set themselves up as better than anyone else, neither do they set out to lead the community but to use their influence in aiding deserving movements. Usually their influence is not apparent.

The members of the club meet together once a week at lunch time and often hear instructive addresses or air their own views. They are just ordinary business and professional people and they have no desire to run up a big membership or to figure in newspaper headlines. The fact that they sometimes do so is only accidental.

Last night at a church banquet Archbishop Du Vernet spoke of the value of meeting together and uniting in mental effort. The same idea pervades the Rotary organizers. There are men of all religions, races and classes and there is nothing unusual about them. They are not out looking for new members nor are they running in opposition to any other organization. They are filling a little niche in the life of the city, and if they are able now and then to be of service to the community they have their reward.

Night School Proposed Here.

The proposal for the establishment of a night school here is again becoming a live issue. Whether such an institution should be established now or in the autumn is matter for consideration. One thing is sure, that it should soon have a place here in order to give young people an opportunity to help themselves.

Many young men are living away from home here. They have little to do with themselves during the evenings and the night school gives the opportunity to spend the time profitably. In Anyox there are over two hundred and forty students at the school and the institution has become a potent influence in the life of the community. The same might occur here. Unhappily there does not seem to be a leader here to organize the school and get it going. At Anyox they had the general manager of the company interested and he used his influence to get all the other leaders in the various departments to co-operate. Also the Granby company gave the use of their shops and plants for the benefit of the students attending the schools. There is no reason, however, why a school should not be established here and be made a success.

LADIES' MUSICAL CLUB HAD MEETING

Studied Chopin's Preludes and Nocturnes at Home of Mrs. H. L. Campbell Yesterday Afternoon.

The Ladies' Musical Club held an interesting meeting at the home of Mrs. H. L. Campbell, Fourth Avenue East, yesterday afternoon. Chopin's preludes and nocturnes formed the topic of the afternoon's study. An in-

structive paper, "The Romance of Chopin's Preludes," was read by Mrs. H. Ward after which two of the preludes were played by Mrs. E. G. Manning. A description of the nocturne was given by Mrs. J. Greer. Mrs. Ward playing a Chopin number after the reading.

A short miscellaneous program in keeping with Chopin music was then given. It consisted of a violin solo by Mrs. Linsey, a vocal trio by Mrs. W. E. Williams, Mrs. R. Blane and Mrs. S. Darton and a vocal solo by Mrs. H. L. Campbell.

No Sum Too Small

We cordially invite small deposits and will gladly extend every service in crediting such sums to your account. We welcome deposits of even \$1.00 a week, which, with interest at 3% compounded semi-annually, totals \$280.26 in five years.

SO EASY TO BE WELLANDSTRONG**Take "Fruit-a-tives" The Wonderful Fruit Medicine**

805 CARTIER ST., MONTREAL

"I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headaches and was unable to sleep at night. I was getting so thin that I was frightened."

At last, a friend advised me to take "Fruit-a-tives" and in a short time the Constipation was banished, I felt no more pain, headaches or dyspepsia, and now I am vigorous, strong and well."

Madam ARTHUR BEAUCHER,
50c a box, 6 for \$2.50, trial size 25c.
At dealers or sent postpaid by
Fruit-a-tives Limited, Ottawa.

K. C. ANNUAL DANCE SUCCESS

Splendid Affair in Auditorium
Last Night Was Attended
by 250 Persons—Decorations a Feature.

The second annual dance of the Knights of Columbus Lodge was held last night in the auditorium and about 250 persons were in attendance. Decorations, music and refreshments, all of high quality, went to make the affair one of the most enjoyable of the season. The outstanding feature of all was undoubtedly the decorations which were as fine as were ever seen at a dance in the city. Small trees stood all around the hall and over these were the Knights of Columbus colors in streamers along the ceiling from end to end. In the centre was a large sign reading: "The Knights of Columbus Welcome You." Flags and pennants further filled out the scheme.

T. W. Moersch was the master of ceremonies and was assisted on the floor by Lawrence Moore, Jack Keefe, A. Astori and J. J. Raleigh. A. D. Gillies was on the door. Music was provided by the Westholme Orchestra augmented with trombone, saxophone and xylophone. Refreshments were served to several sittings at midnight.

Jack Venables was the chairman of the general committee. A. Astori was in charge of decorations, U. U. La Casse, refreshments and H. McEwen, invitations. D. K. Walker and Fred Henning assisted with the refreshments.

CELEBRATING ANNIVERSARY

Rotary Club Is Entertaining Wives of Members at Dinner Tonight.

The Prince Rupert Rotary Club is giving a dinner tonight in celebration of the founding of the club, at which the wives and lady friends of the members will be guests. The local club has been in existence less than a year but so far it has not missed holding a luncheon each week. It has thirty members. It carries on in an unostentatious way and each week there is something unusual doing.

The Man in the Moon
SAYS—

RIGHT Hon. Arthur Balfour is reported to have refused a garber and here are my socks coming down all the time. He might have passed it on.

If the mounties get next those donks, they will want to go marching to Georgia again.

YACHT Club—members are laughing over Alex McRae's little joke. In order to get a good attendance at the meeting he advertised a raise in moorage dues.

YOU have to use a club to some people to get any action.

THERE must be some Canadians in Prince Rupert yet, judging from the number who have joined the Canadian Club. We had an idea they were all sons of some other country.

JOHN KYLE is here again preaching the gospel of "help yourself." It's the old gospel but it sounds rather strange these days.

TEN TO ONE.
Drug Clerk—What kind of a toothbrush do you want?

Customer—Give me a big one, boss dar's ten in my family.—Allentown Chronicle.

HALIFAX EXPLOSION
WRECKED HER NERVES

The reader will, no doubt, remember when a few years ago there was a collision in the Halifax, N. S., Harbor and one of the munition ships was blown up, causing great loss of life and laying a large portion of the city in ruins, and causing a great deal of suffering and distress among the inhabitants.

Mrs. Winfield Hill, now of Windsor, N. S., was living in Halifax at that time and went through this trying experience and the shock wrecked her nerves. She writes as follows:—"I was living in Halifax at the time of the explosion, and it wrecked my nerves so that I could not do my housework. I would take such nervous spells I would be under the doctor's care. I saw Milburn's Heart and Nerve Pills advertised, so I took two boxes, and they helped me so much I took six more, and now I am completely relieved. I can recommend them to anyone suffering from heart and nerve trouble."

To all those who suffer from nervous shock we would recommend our

MILBURN'S HEART AND NERVE PILLS.

as the best remedy to tone up the entire nervous system and strengthen the weakened organs. Milburn's Heart and Nerve Pills are the original heart and nerve food, having been on the market for the past 27 years. Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

The city council last night agreed to grant an area of 400 feet square of the city property so that the Militia Department may go ahead with its plans for building an armory here. The property granted is on Borden Street.
