

Doctor Said "Keep on Using Zam-Buk"

"My little son was badly scalded by pulling a pan of boiling water over himself," writes Mrs. Albert Sawyer, of Midland, Ontario. "I called in a doctor, but his ointments failed to ease the child's intense pain. I therefore discontinued the treatment and began with Zam-Buk instead. "This wonderful balm appeared to relieve pain almost immediately, but to make sure I was doing the right thing, I called in a second doctor. When I told him what I was using, he said: "That's right—just keep on with Zam-Buk, there's nothing so good for scalds and burns."

"As I persevered with Zam-Buk all soreness and inflammation was drawn out of the injuries and new skin gradually formed. It was not long before the scalds—although so extensive and severe—were completely healed."

Zam-Buk obtainable of all chemists and stores. 50c. box, is equally splendid for the treatment of eczema, ulcers, ringworm, piles, various sore, poisoned wounds, chaps, cold sores, chilblains, etc.

SCRAP CRUISERS PAY SALARIES

This Proposal Comes From Officers of the Chinese Navy. PEKING, Feb. 23.—Officers of the Chinese navy have proposed to go to the Washington disarmament conference one better by scrapping the entire Chinese navy and selling it to pay their salaries, which are in arrears. The Chinese navy consisted in 1920 of six protected cruisers, three destroyers, eight torpedo boats, three torpedo gunboats, four gunboats and a considerable number of river gunboats. Nine of these, however, were under control of the Southern Chinese government located at Canton. The Chinese officers proposed also that all battleships and cruisers should be scrapped. Sarcastic Press. The Chinese press asserts that it is in the interest of their salaries rather than of the peace of the world that the Chinese officers proposed this drastic step. As in the case of many government departments of China at the present time, salaries for many back months are due the officials and personnel of the navy, and the conference of officers was called to consider ways and means of forcing the ministry of finance to allocate to the ministry of marine sufficient money to make up these deficits. Feeling that sale of all naval property and abolition of the navy was the surest way of obtaining the necessary funds, the officers decided to put this proposition before the people. The Alternative. Their alternative, in case this scheme failed to meet with approval, was that officials who had illegally withheld their pay from them be made personally responsible.

There is only one way to get rid of this obnoxious skin trouble, and that is by giving the blood a thorough cleansing which can best be done by that old reliable blood medicine BURDOCK BLOOD BITTERS and when the blood is purified the pimples will vanish and you will have a clear, healthy complexion.

BURDOCK BLOOD BITTERS and when the blood is purified the pimples will vanish and you will have a clear, healthy complexion. Miss Mary E. Flanagan, R. R. No. 3, Stella, Ont., writes: "I suffered for about two years with pimples and blotches breaking out on my face. The doctor said it was caused by bad blood. My face was so bad that I didn't like to go out among a crowd of people. One day I was talking to a friend, and she advised me to get a bottle of Burdock Blood Bitters and try it. I just took three bottles, and there was not a blotch or pimple of any kind left. Some of my friends asked me what I had used and I said, 'Burdock Blood Bitters chased them.'" B. B. B. has been on the market for the past 45 years, so you are not experimenting with some new and untried remedy. Put up only by The T. Milburn Co., Limited, Toronto, Ont.
