**NORTHCLIFFE TELLS ABOUT INDIAN UNREST**

Moslems of That Country Irritated at Attitude of Britain Towards Turkey.

Returning to India after twenty-five years' absence, I am shocked at the change in demeanor and acts towards whites by both Hindus and Mohomedans, and especially Mohomedans, who were formerly most friendly, said Lord Northcliffe in a recent interview. For the first time in Indian history Hindus and Mohomedans are now acting in close combination. I have interrogated over a hundred Moslems of every class and sect and they are unanimous. In the Dutch Indies, Malay States, Ceylon, Madras Southern India, Hyderabad, Central India, the United Provinces, the Punjab, Rajputana and Bombay the attitude of Moslems is now one of sullen silence or outspoken hostility. A distinguished loyal Mohomedan, a judge, who was educated at Oxford, whether his son is now proceeding, said to me: "The most dangerous sign is that our women are now becoming infected with the anti-British poison, and all students of Islam

**Anti-British Caps.**

Continuing, Lord Northcliffe said:

In the streets many Mohomedans are to be seen wearing anti-British white caps, which are the emblems of Gandhiism. Loyal Mohomedans demand the instant arrest of Mr. Gandhi, saying that it would prevent outbreaks by Hindu and Mohomedan extremists but peace can not be assured until the Moslem question has been readjusted. Moslems bitterly resent our attitude after causing Moslem to fight Moslem in Mesopotamia. The recent loan to Greece is especially resented.

To explain the demands of modern Moslems as follows: In effect they state that Indian Mahomedans who are communicating with all Moslem countries intensely resent our policy regarding Turkey and feel most deeply the slight they consider has been put upon the Khalifat. Their veneration of the Sultan of Turkey as head of Islam is of quite recent date; it did not exist in the days of Shah Jehan, and only came into being about the time of the Crimean war, although extremists deny this.

**Revere Sultan.**

Since then, however, they have learnt to revere the Sultan as Roman Catholics revere the Pope and regard the disintegration of Turkey in Europe and Asia such as Catholics would regard the fall of the Holy See. Moderate Mahomedans whom I have interrogated and whose fingers are on the pulse of Moslem feeling state that if the following program were instantly carried out it would heal wounded sentiments and restore peace and tranquillity to India.

(1) They contend that the British should again recognize the Sultan as head of Islam and warden of the holy places, Mecca, Medina and Baghdad, and grant free access to them to all Moslems.

(2) Adrianople should be returned to Turkey. Adrianople is a holy city and its loss would never cease to rankle.

(3) The whole of Asia Minor should be handed over to Turkey, not excepting Smyrna, for the Turks regard Asia Minor as their homeland, and while they have no legitimate grievance regarding the loss, by the fortunes of war, of their empire in Iraq and Arabia, they resent the splitting up of the land of their birth.
