JUDGE PLEASED WITH POULTRY

H. S. Waby Says It is a Very Creditable Exhibit and Urges More Chickens.

That the exhibit of poultry here this year is a very creditable one and that it should be steadily improved year by year is the opinion of H. S. Waby, poultry judge at the exhibition. He says he considers Prince Rupert eminently suited for poultry raising but the birds must be given good shelter. Any place on the rocks is especially good and he thinks poultry should prove profitable here. Before long the interior farming districts would be raising a good deal of grain and feed should be readily obtainable from there.

Mr. Waby was particularly pleased with the Rhode Island reds at the fair but he also liked some of the white leghorns and black orpingtons. He said there was a black orpington hen that would have been the best in the show if she had been brought out better. She was a wonderful hen in many respects. The judge criticized the lighting of the building and said he thought three tiers of pens too high. He looked for a great future to poultry raising here and he hoped they would steadily progress. The following are the prize winners:

"Fruit-a-lives" Restored Him to Health

150 AVENUE PIER IX, MONTREAL.
"For three years, I was a terrible sufferer from Dyspepsia and my general health was very bad. I consulted a physician and took his medicine but I did not improve; and finally he told me that I could not be cured. At this time, a friend advised me to try 'Fruit-a-lives'. After taking two boxes, I was greatly relieved; and this fruit medicine made me completely well. My digestion and general health are now splendid."

Her Two Children Had Diarrhoea Terribly Bad

Anyone suffering from bowel complaints such as diarrhoea, dysentery, colic, cholera, cholera morbus, cholera infantum, or any other looseness of the bowels, will find that Dr. Fowler's Extract of Wild Strawberry will give quicker and more permanent relief than any other remedy on the market today.

Mrs. Roy Keith, Charlton, Ont., writes: "I am writing to tell you what Dr. Fowler's Extract of Wild Strawberry did for me. Last summer my children had diarrhoea, terribly bad, and they would vomit and pass a great deal of blood. I tried every remedy we could think of, but finally bought a bottle of Dr. Fowler's Extract of Wild Strawberry, and about one half of it stopped the diarrhoea altogether. I have told several others about it, and I would not be without it in the house, as I can truthfully say it saved the lives of my two children."

Price, 50c a bottle; put up only by The T. Milburn Co., Limited, Toronto, Ont.
