ARE AGAINST GASOLINE TAX

Council of Board of Trade Passed Resolution at Meeting Last Night

A resolution opposing the 2c. tax on gasoline and distillate in the port of Prince Rupert was passed at a meeting of the executive of the Board of Trade held last night in the City hall. The resolution was wired to the Attorney-General Manson and the Hon. T. D. Pattullo, Minister of Lands, Victoria.

The Board of Trade considered that the Canadian fishermen were now laboring under a 2c. tax on fish as against the American fishermen and also a 2½ per cent sales tax which the American fishermen were also immune from. The present burden of taxes on them would have a tendency to force fishermen operating from this port to obtain their supplies, ice, bait and gasoline on the Alaska side.

TERRACE NOTES

Mrs. Bleeker and Mrs. Grieg went down to Rupert on Thursday's train.

Miss Ida Pearson has been appointed by the Board of Trustees of the Lakelse school district, to take charge of the new school here. Miss Belliwell of Terrace, has been appointed by the Board
