

... SUCCESSFUL ... SOCIAL FUNCTIONS.

The successful society matron recognizes that in order to maintain her position as a society leader she must follow certain well defined lines; she must not forget the "trills"—those little aids that may mean the difference between the success or failure of her affair.

Probably you intend holding a whist drive and dance, a bridge or five-hundred party, an "at home" or a birthday party in honor of a daughter or friend. If so, you will require dance programs, tally cards, place cards, bridge score or five-hundred pads, as the case may be. In any case, whatever your requirements, consult us before buying elsewhere. We carry an excellent stock of artistic designs, unexcelled material, and at a reasonable price.
