## AIR COMPANY IS ORGANIZED

Seaplane to Be Operated From Lake Kathlyn to North Country.

The Railwaymen's Industrial and Investment Association of Smithers has been incorporated with a capitalization of \$100,000 to establish an aerial service to the Manson, Ingonica and Finlay river districts from headquarters which will likely be established at Lake Kathlyn, says the Interior News. A seaplane will be purchased and a freight and passenger service to the country north of the Bulkley Valley will be instituted.

As best suited to the conditions of this country of great distances with their objective far removed from the centres of population, the association has decided on a seaplane, and a new machine will be ordered shortly. The plane selected being equipped with a Liberty motor of 200 h.p., the cost being in the neighborhood of \$6500. A pilot with wide experience under conditions of country that will exist on the trip to Thutade Lake has been secured, being a man who has been flying to the Fort Norman oil fields. The machine is to be shipped to Jericho Beach for assembly and the trip to Smithers will be made on its own wings. The machine will be ordered will have a capacity of almost a ton, with a safe average load around 1200 pounds. It will have seating accommodation for two besides the pilot and will have additional capacity for freight.

Len Bell, the well known engineer, is president of the company; Frank Foster, vice-president, and Frank Warren, the conductor, is treasurer. In addition there is a strong board of directors.

## WINNIPEG FAILS TO REDUCE TAX RATE

Failure of School Board to Cut Salaries Given as Reason for High Millage.

WINNIPEG, Mar. 24.—Winnipeg's tax rate for 1922 can not be less than 30 mills on the dollar owing to the increase of \$250,000 in school-board estimates, Mayor Parnell stated.

"I hoped strongly for a reduction of at least one mill on our tax rate this year, but the school board's answer to our request for a cut in the estimates has wiped out any possibility of reducing the rate this year. Despite close cutting of city estimates, it will be difficult to hold the tax rate down to last year's rate with the additional revenue required for school purposes," he said.

## Ten Years Ago in Prince Rupert

March 24, 1912.

The provincial election contest is proceeding hotly with four candidates, William Manson, Alex. Manson, W. H. Montgomery and Dr. W. B. Clayton, in the field. Liberals and Conservatives are both sure of victory at the polls.

The pipe line between Shawatlans Passage and Acropolis Hill for the hydro-electric system is nearly completed. The reservoir has been excavated and cement for it ordered. The mayor says pumping can commence at Woodworth Lake as soon as the pipe line is finished.

Louis Hoppenstein has been appointed captain of the Skeena River snag scow succeeding Captain Noel, who was recently drowned. The scow, which sank will soon be afloat again.

## FINES COLLECTED IN POLICE COURT FEBRUARY LIGHT

February was a light month as far as cases presented and fines collected in the police court was concerned, according to the report of the chief which was presented to the commission last evening. There were ten cases, eight convictions and a total of \$90 collected in fines. Of six cases of intoxication only two paid fines, the remainder serving the optional jail sentence. There were two burglaries reported during the month, one at Gratton's store and the other at Oliver Besner's bonded-liquor warehouse. Bread and coal weights were found to be correct.

The payroll for the month was \$1324 and the cost of keeping prisoners at Okala was \$80.

## FUR PRICES DROP EDMONTON AUCTION

EDMONTON, March 24.—Furs are going down in price rapidly, as was evidenced by the bids tendered at the fur auction held in the Northern Trading Company's fur warehouse. Emile Sholl's fur pack from the Fort Mackay district was put up for sale, and was purchased by the A. Carruthers company; all the representatives of the city fur houses being present, the bids being very close in respect to figures.

The pack consisted of a choice bunch of prime winter skins which it developed were sold at prices twenty-five per cent lower than those in vogue at this time last year. This is considered by the fur men to illustrate the trend of the times and is regarded as important, pointing to a further reduction, and the stabilizing of the fur-trade on a national basis.

## Was Troubled With Her Liver for over 4 months

When the liver becomes slow, sluggish and torpid it is not working properly and does not supply sufficient bile to thoroughly act on the bowels and carry off the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow, among which are: sick or bilious headaches, heartburn, water brash, jaundice, floating specks before the eyes, pain under the right shoulder, coated tongue, bad breath, yellow eyes, etc.

**MILBURN'S LAXA-LIVER PILLS** quickly remove the secretions, clear away the effete and waste matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood.

Mrs. Alice McMill, Napawa, Ont., writes: "I was very badly run down for over four months. I tried several remedies, but got no relief. One day my husband brought me home a vial of Milburn's Laxa-Liver Pills, and before I had used half of it I was much better. I only used two vials and I am a different person today.

"I can safely recommend Laxa-Liver Pills to anyone troubled with liver trouble." Price, 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
