At present there is a fog bell at Guard Island but its value is limited. KETCHIKAN, Mar. 4.—"This year the territory is going after the non-resident fishermen to make them pay the territorial tax," said E. L. About 2500 non-resident fishermen go up there every year and five dollars from each of them will make considerable difference to the treasury. ### COULDN'T DO HOUSEWORK HEART WAS SO BAD

Many women get weak and run down and unable to look after their household duties owing to the heart action becoming impaired or the nervous system unstrung.

Nature intended women to be strong, healthy and happy instead of sick and wretched. But how can a woman be strong and healthy when day in and day out she has to go through the same routine of work, sweeping, dusting, cooking, washing, etc.? Is it any wonder that the heart becomes affected and she gets irritable and nervous, has hot flushes, faint and dizzy spells, smothering and sinking spells and can't sleep at night?

To all women whose heart is weak and whose nerves are unstrung we would recommend

### MILBURN'S HEART AND NERVE PILLS

as the best remedy to tune up the system and strengthen the weakened organs.

Mrs. Daniel Bezanon, Loganville, N. S., writes:—"As I was troubled with a weak heart for nearly two years I am writing to tell you what your great remedy, Milburn's Heart and Nerve Pills, has done for me."

My heart was so bad at night I could not sleep, I would take smothering spells, and was so weak I could not do my housework. I tried two doctors, but got no results. A friend advised me to try your pills. I used six boxes and am completely relieved. I think they are the best remedy for heart trouble there is."

Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
