PRINCE GEORGE

Practically all the sawmills along the line of the Canadian National Railways between Prince George and the mountains will operate this season, and it is estimated that 25,000,000 feet of logs are already prepared for cutting. The mills of the Dome Lumber Co. and the Upper Fraser Lumber Co. are about the only ones which will not be running.

The question of undertaking protective measures for the Prince George railway yards and part of the townsite from floods is being considered by the railway company.

Indian Agent McAllan has called a meeting of the Indians of No. 2 reserve for next Sunday to discuss the situation brought about by the application of the J. D. McArthur Lumber Co. for a mill site which would take in half of the reserve.

Negotiations are now under way between the J. D. McArthur Lumber Co. and the Department of Indian Affairs for the securing of a mill site at the mouth of Mud River. Mr. McArthur, who is at present visiting the city, contemplates putting in a mill to handle a fine stand of timber which he has secured at Mud River. Work is commencing at once on the building of a 3000-foot railway siding to be used in connection with the loading of ties that have been cut this winter.

P. S. Bonney, district forester, has returned from a sixteen-day exploration trip to McGregor River. Maps of that district are to be corrected.

Mrs. N. J. Kinney died of pneumonia at the Prince George Hospital on Monday. She is survived by a widower and seven children.

Mrs. R. W. Haggen, wife of the well known surveyor, died at Quesnel last week.

E. R. Tabrum, formerly of the Family Shoe Store here but now on the road for a Vancouver firm, arrived in the city today from the south on the Princess Beatrice. He will be in the district for a few days on business.

The newspaper with the circulation is the real advertising medium.

SMITHERS

A long break in the dancing season was ended on Thursday evening when the Athletic Club held a big ball in the town hall. There was a big attendance from the town and various points in the district.

Musiano Carmello, charged with attempting to murder Musiano Gamme at Seaton last week, appeared for preliminary before Magistrate Hoskins and was remanded for eight days. The crown is represented by Archie Donaghy of Terrace and L. S. McGill is appearing for the defence.

The Interior News says that it is doubtful if even Prince Rupert has ever enjoyed talent of the calibre of that demonstrated by the Telkwa Shamrock company, which played in Smithers last week. The excellence of the program was beyond all expectations. The artists were Mrs. K. V. Hitchins, F. B. Giffelburgh, Miss Hunsberger, Miss Miller, Mrs. Giffelburgh, A. White, J. P. Wheeler, Mrs. Titchhurst and P. Spouse, all of Telkwa.

D. R. Willemar of Hazelton has moved his assay outfit here from New Hazelton. He will make his headquarters at Smithers in future.

Coroner S. H. Hoskins went to Hazelton yesterday to conduct the inquest there over the body of Frank Walsh, who was burned to death in the Hazelton Hotel fire.

Mr. and Mrs. Fred Cook have returned from a six months' visit in Ottawa. Mrs. Cook is at present visiting in Prince Rupert.

Mrs. George Oulton has returned from Edmonton, where she underwent an operation for eye trouble.

HALIFAX EXPLOSION WRECKED HER NERVES

The reader will, no doubt, remember when a few years ago there was a collision in the Halifax, N. S. Harbor and one of the munition ships was blown up, causing great loss of life and laying a large portion of the city in ruins, and causing a great deal of suffering and distress among the inhabitants.

Mrs. Winfield Dill, bow of Windsor, N. S., was living in Halifax at that time and went through this trying experience and the shock wrecked her nerves. She writes as follows:—"I was living in Halifax at the time of the explosion, and it wrecked my nerves so that I could not do my housework. I would take such nervous spells I would be under the doctor's care. "I saw Milburn's Heart and Nerve Pills advertised, so I took two boxes, and they helped me so much I took six more, and now I am completely relieved. I can recommend them to anyone suffering from heart and nerve trouble."

To all those who suffer from nervous shock we would recommend our
MILBURN'S HEART AND NERVE PILLS
as the best remedy to tone up the entire nervous system and strengthen the weakened organs. Milburn's Heart and Nerve Pills are the original heart and nerve food, having been on the market for the past 27 years. Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
