AT LAST! Modern Laundry Service At a Price for Every Purse

We have long realized that the present system of charging for FAMILY WASHING is hopelessly inconsistent. With this in mind, we have gradually assembled equipment until now we are in a position to offer an entirely different service.

Laundry Work by the Pound

Under this new system we offer three distinct services

DAMP WASH SOFT FINISH ROUGH DRY

DAMP WASH—This service returns everything washed ready for starching and ironing at a cost much below doing it in the home. Offered to those whose financial circumstances demand the care of every penny, 5c per lb. Minimum charge \$1.25. Bags furnished at a cost of 35c each which will be refunded on return to laundry.

SOFT FINISH—This service is planned for the majority of people who now send some washing to the laundry. Under this plan, everything is washed and dried. Flat pieces are ironed and folded and wearing apparel is dried in a dryroom tumbler, rendering most pieces beautifully soft and fluffy, ready for wear without ironing. We particularly recommend this service, 7c per lb plus 1c per piece. Minimum charge \$1.50.

ROUGH DRY—This service returns everything dry—flat pieces ironed and folded and wearing apparel starched. This should appeal to those who wish to do as little laundry work as possible in the home and yet do not want to pay the high cost of finishing the entire bundle in the laundry. 9c per lb plus 1c per piece. Minimum charge \$1.25.

NOTE—The 1c per piece is to equalize the cost of handling numerous small pieces such as handkerchiefs, etc.

THESE THREE "HOME SERVICES" ARE BUT PART OF OUR OPERATIONS. We are primarily a laundry, executing in the best fashion all the so-called standard laundry services. In addition, we conduct a separate and distinct DRY CLEANING Department—the finest plant and the best workmanship in all the North. Somehow and someway **THE CANADIAN SHOULD BE YOUR LAUNDRY.** We have a wagon in YOUR neighborhood regularly and hope soon to make your acquaintance.
