Her Heart Skipped Every Third Beat

Mrs. James Burleigh, 218 King St. E., Chatham, Ont., writes: "I think it my duty to let you know what Milburn's Heart and Nerve Pills have done for me."

I suffered for years with palpitation of the heart, my nerves were very bad, and I could not be left alone at any time. I doctored for over a year, and the doctor said my heart was very bad as it skipped every third beat.

I gave up, just at this time, and then my mother advised me to try Milburn's Heart and Nerve Pills, saying my eldest brother had been relieved by using them when he was very bad with his heart and nerves. I got a box and started to take them, and when I had used it I felt a lot better; could sleep a little and felt stronger. I continued taking them, for about three months, and felt better than I had for years.

When I think of the misery and suffering I went through before I started Milburn's Heart and Nerve Pills, I feel like letting everyone know what they did for me."

Price 50c a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Dan Jabor returned home this morning from the south on the Prince Rupert. He limped off the boat on crutches as the result of an auto accident in Vancouver.

Fred Goran, assistant purser on the Prince Rupert, made his first trip on the vessel this time for a month, having undergone an operation for appendicitis in Vancouver.

Thomas Kitson and J. Kitson, residents of Sandspit, Queen Charlotte Islands for many years, left last night by the train for their home at Riding Mountain, Man., to spend Christmas.

F. G. Dawson, local member of the board of directors of the C.N.R. returned on the Prince Rupert this morning from Vancouver and Victoria on a hurried business and unofficial inspection trip. He was accompanied here by his mother-in-law, Mrs. Rothwell.

The G.T.P. steamer Prince John will not sail tonight for the Islands according to schedule but will be held over till 8 p.m. Sunday, it was learned at the general offices today. The reason for the delay is that a carload of settlers effects for Massett will arrive on Sunday and the vessel will take these along.

H. Whitaker, government architect from Victoria, arrived this morning on the Prince Rupert to inspect the new courthouse before it is finally turned over to the government. He will look into some reports of leaking in the building and see that these are attended to before leaving for the south again.

The G.T.P. steamer Prince Rupert, Captain Donald, arrived here this morning sharp at 10:30 with a small passenger list and 85 tons of freight from the south. A number of local people including some members of the Mystic Order of the Shrine who attended the conference last week at New Westminster, were passengers. The vessel sails tonight for Stewart with a number of mining operators.
