## Some Cut Glass

Isn't much (if any) better than a good quality of the pressed article. It's cheap of course—and it looks it. Cut Glass sparkles like a diamond and has the weight of iron.

Look over our odd pieces. Price from \$3.00 to \$10.00.

### Why Fresh Roasted?

Why does the local baker buy his flour in bulk and bake bread, pies and cakes daily? We might go on indefinitely asking such questions, but why multiply the evidence? The answer in each case is the same. The shorter time that elapses between the finishing process mentioned and delivery to the user the more satisfaction with the product.
