LOCAL BOY SCOUTS ASSOCIATION FORMED

George Rorie Appointed President at Meeting Last Night.

A meeting of persons interested in the formation of a local association for Prince Rupert of the Boy Scouts Association of Canada for the purpose of encouraging the movement in this city was held last night in the Presbyterian Church. Canon Rix presided, and the meeting was unanimous as to the desirability of forming a local association. There is already one troop formed in connection with the Presbyterian Church, under the charge of J. A. Teng, and another is in course of formation under the auspices of St. Andrew's Church, and as doubtless more will spring up as the movement develops, it is necessary to have a central supervising body to supervise and nominate suitable persons to act as officers and to appoint badge committees of ladies and gentlemen to examine the boys for their various proficiency badges.

The following office bearers were elected: President, George Rorie; vice-president, A. W. Healy; Secretary, S. Hazett-Jones; treasurer, Edward Smith, and it was agreed that the office bearers along with the following gentlemen constitute the executive committee: Canon Rix, Rev. H. R. Grant, George Munro (Rotary Club), R. Lepine (Elks), C. C. Perry and H. L. Campbell.

The question of drawing up by-laws of the local association's guidance was remitted to the executive committee.

FIRST MEETING OF HOSPITAL BOARD

Formal Election of Officers; Col. McMordeie, Vice-chairman in Place of D. C. McRae Who Withdrew.

The first organization meeting of the new hospital board was held last evening in the city council chamber. D. G. Stewart was formally elected president of the board and Col. S. P. McMordeie was chosen vice-chairman instead of D. C. McRae, who withdrew from the office. Major George E. Gibson was re-elected secretary. Committees will be appointed later.

The matter of the ambulance was placed in the hands of M. J. McNeill who has the plans and specifications and will take the matter up with the city council.

CATARRH of the Stomach for EIGHT YEARS

The cause of this trouble is the fermentation of food in the stomach which generates a gas that is very frequently belched up. There is also a rumbling of the bowels and a discharge of gas therefrom, there is constant retching, and the meals are frequently vomited. There is a burning pain in the stomach, the appetite is fickle, the tongue coated, the breath bad, constipation is generally present and the sufferer becomes weak, nervous, depressed and exceedingly miserable.

The blame lies with a sluggish liver, as it holds back the bile which is so necessary to promote the movement of the bowels, and when the bile gets into the blood a badly disordered condition of the stomach, liver and bowels will surely follow.

Keep your liver active and you will always enjoy good health.

Mrs. Agnes Gallant, Reserve Mines, N. S., writes: "I had been a great sufferer for eight years from catarrh of the stomach. I tried several so-called catarrh remedies without relief until a friend advised me to try Milburn's Lassa-Liver Pills, which I did, and four vials completely relieved me. That was six years ago, and I have had no return of my old trouble."

Price, 25c a vial at all dealers, or mailed direct on receipt of price by the T. Milburn Co., Limited, Toronto, Ont.

Sport Chat

The recent activities of managers and sportsmen to arrange a bout for Jack Dempsey, world's champion heavyweight champion has resulted in a match being set between the champ and Bill Brennan for March 17. Other bouts with Dempsey are also in the wind and one that is said to be maturing is that with Harry Wills. There is, too, talk of a fight in England with Georges Carpentier, European champion. Perhaps, from a commercial standpoint, Jack has proved too great a fighter. General public opinion now seems to be that he is too good for these three or any other aspirants of the present time. This seems in a measure to be true and it is going to be hard to work up similar interest in a battle as showed itself on July 2 last at Jersey City. Certainly it cannot be done in the United States, it might be possible in England not because the fans there think there is much danger of Carpentier winning but because they would like to have the privilege of seeing Dempsey in action. As far as prospects are concerned Dempsey has already vanquished them before or if he hasn't done that it is altogether likely he will if he ever comes up against them. The brawny American is still far and away the best heavyweight boxer on the pugilistic horizon. He may not possess the skill of some but he certainly has the brawn and there have been no indications in the past six months to show that he has been travelling down grade at all. It looks that if Dempsey is to be beaten at all he will have to do it himself or else hold the title until he is too old to defend it.

Miss Phoebe Senkler, who spent last summer in Prince Rupert and showed here her prowess as a swimmer and canoeist, as queen is reigning over the Banff Winter Carnival this week. This popular young lady's word is law in the great outdoor playground of the Rockies and she has indeed a gay kingdom over which to rule. Crowds from various points on the outside are in attendance and the streets are bedecked with flags making a brilliant contrast to the carpet of snow beneath. Three tribes of Indians are there and in the center of Banff Avenue are Indian torques. The scarlet coats of the Mounties also lend to the color of the scene. Miss Senkler is captain of the Vancouver Amazons' ladies' hockey team and she and her retinue reached Banff last night. They will play tonight for the championship.
