If You Are of Average Figure

VERY few of us are ideal average. There is always a bit of coaxing to be done—a little moulding, a subtly straightened line, a comfortably few bones and no undue constraint, Gossard Corsets designed for the average figure bring it gently but surely to its ideal perfection and eternally guard you from the injustice of looking older than you are.

Understanding your type is one of the most important aids to beauty you will ever find. Remember that whatever your figure may be there are Gossard Corsets with just the support you need at your age and weight to give you the proper proportions of the type to which you belong. Gossards are moderately priced, launder beautifully, will outwear two or even three ordinary corsets and will give you a comfort such as you never knew before.

Gossard trade marked Corsets as low in price as \$2.50
