ARMISTICE DAY OBSERVANCE BY WAR VETERANS.

(Continued from Page One).

much good natured humor, the boys did full justice to the elegant spread at a Richmond. An old Veteran could readily have imagined himself once more in France among the boys participating in the jovial French estaminet fun in the rest arena.

President Denning

President Denning, in an excellent speech touched upon the fact of Armistice Day being a red letter day in the life of veterans of the Great War. Many advantages had been gained by returned soldiers through the work of the Great War Veterans' Association. The Association, he said, stood fundamentally and always for the betterment of the returned man. The lapse of a few years brought forgetfulness and to enable them to stick together to fight for their rights, as they had fought in Flanders, as a common unit that the G.W.V.A. was formed. He was not an advocate of any political clique or creed but it was up to the returned men themselves to hold and fight together and thus make sure that whatever party was in office gave the returned man that which was his just due. As an association they would not maintain their influence unless they were backed up and got the entire support and sympathy of every returned man in the district. This applied to all districts throughout Canada. If it had not been for the untiring efforts of a few members of the G.W.V.A. in the city many returned men would have had a hard row to hoe.

President Denning also touched upon the duty the Association had to perform to the comrades who were taken by death and said that if they had done nothing else but prevent the departed

Had Constipation for 6 Months Was Relieved by Milburn's Laxa-Liver Pills

A free motion of the bowels daily should be the rule of everyone, then there will be no constipation, sick or bilious spells, heartburn, foul breath, sour stomach, etc.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, thus making them active and regular, removing the constipation and all its allied troubles.

Mrs. B. C. Hunt, Port George, N. S., writes:—"I have been troubled by being constipated for the last six months."

"My tongue has been terribly coated, so much so that it made my breath bad. I was talking to a friend about it, and she advised me to use Milburn's Laxa-Liver Pills, which I did, and now I am perfectly well. My tongue is as smooth as it was before I got that way, and I owe it all to your Pills, of which I only used two vials."

ones from finding a pauper's grave the existence of the G.W.V.A. had been justified.

Major McGregor, V.C. who was greeted with a hearty ovation, made a short speech in which he said that he much regretted his calling in life would not permit of his taking an active part in the work of the Association although he always had the welfare of the G.W.V.A. at heart.

For those who had been in Flanders and seen the horrors of war no one was more affected by the signing of the Armistice in 1918 than the returned boys, and if they did not observe it in a fitting manner no one else would.

Aldermen Jack Kelly, Theo. Gollart and Tom Silversides, also gave very appropriate talks.

The evening was most enjoyably spent with music, songs, and stories. Bob Simms gave several comic songs in his usual first class manner.

Jack Flint sang "A Silly Sailor Song," and Bob James sang, "Pop Goes the Major," giving as an encore "Johnny Walker." Sid Thompson and Jack Flint rendered yeoman service at the piano.

Instrumental selections were rendered by W. Rance, cornet; J. Davies, clarinet, and W. Duckworth, cornet.

A splendid and memorable evening was concluded with the singing of God Save the King.
