too long," and Forrest, one of their number who waits on the table in the restaurant where the man always dines, is chosen by lot—the drawing of the ace of hearts—to carry out the hand's sentence.  
Forrest and Farralane, an artist member, are both in love with Lilith, the only woman in the group. She has been interested only in the cause, but now that Forrest has drawn the ace of hearts, and may be blown up along with his victim, she asks him if it will give him more courage or less if she marries him that evening.

### Love's Teachings

They are married and the night of love teaches them that hatred and destruction can never raise the moral tone of the universe. Lilith beseeches Forrest to flee with her, but he knows that they could not escape the vengeance of the hand. He goes to the restaurant to carry out the sentence of death against "the man who had lived too long," but the sight of two happy young lovers at the table next to him, causes him to lose his nerve. He returns to the club rooms and turns in the bomb. He is ordered out by the tender, Morgridge, along with the woman who had corrupted him.

Buster Keaton in the comedy that is to be seen here this week, marries a girl so like her sister that a special mark has to be put on her so Buster will not kiss the wrong girl.

Alan Dwan, who has just finished directing Robin Hood for Douglas Fairbanks is to direct "The Spanish Cavalier" in which Rudolph Valentino will play the leading role.

The carpenters in a movie studio have to be artists. All the big pictures use new furniture and decorations and often the woodwork is most ornate.

Jackie Coogan is to be the star in a new play the name of which has not yet been announced. He will be directed by E. Mason Hopper.

There is a fight on in Nashville, Tennessee, over the right to operate movie shows, swimming baths and soda fountains on Sunday. The lid has just been clamped on tight and the manager of the swimming pool arrested but the city council has before it and passing on an ordinance legalizing amusements.

### The Finale

Several years later, Morgridge, after a long search, finds Forrest and Lilith and their child in their little cabin hidden away in the heart of the mountains. But he has come, not to exact the vengeance of the hand, but to tell them that they were right—that love and construction, not hate and destruction, are the only things that can make the world and human nature better.

### CAVE GIRL COMING ON WEDNESDAY NEXT

Yosemite Park Scenery is Featured in Comedy

"The Cave Girl," a vivid, pulsating story of youth, romance and adventure, enhanced by magnificent outdoor scenery, comes to the Westholme Theatre Wednesday.

The Yosemite Valley, one of the greatest natural parks, is shown in all the glory of its winter garb, giving film audiences the first opportunity of seeing this outdoor playground as it has never before been screened.

Such a wonderful setting has been given to the spontaneous comedy by Guy Bolton and George Middleton, which, in its stage version, scored a successful run on Broadway. All the elements of appeal that made the play a popular success have been retained in its transformation upon the

### ATLANTIC OCEAN SPEED CONTESTS

Mauretania Leads So Far With Majestic Running Her Close.

LONDON, Aug. 19.—(Associated Press)—"An Ocean Derby" will be held on the Atlantic this summer to determine the fastest of the great liners on the Southampton to New York run. The position of the vessels in this contest is as follows, the figures showing the best speed for a whole voyage during the current season:

	Knots.
1—Mauretania	25.29
2—Majestic	24.02
3—Berenegaria	23.38
4—Avulania	23.28
5—Olympic	22.55
6—Bonaventure	18.69

All these vessels, with the exception of the Homeric burn oil fuel. Thus, as well as settling the speed championship, the race will provide useful data for comparing the new method of making steam by oil with the old method of using coal.

The contest has progressed far enough to reveal that the race now lies between the Mauretania and the Majestic. Can the latter displace the former of her proud and long-held position as the "Atlantic Speed Queen." This is the great topic in ocean shipping circles. There is argument and heavy betting.

### German Built.

The Majestic, like the Berenegaria, is German built. She was designed to capture from Britain size and speed records. Her backers point out that she has shown her qualities in the latter respect by doing a recent sprint at 27.82 knots, and that as she is only beginning to "feel her engines," she will make things hum for here British-built competitors.

The Mauretania's backers reply that she, too has not yet settled down since her conversion to oil-burning; that if spurring counts for anything she had a 28.2 knots spurt to her credit, and that with a former whole voyage achievement of over 26 knots she will, if needed, still show off formers a clean pair of heels.

With all this keen but good-natured rivalry among the "greyhounds of the ocean," new records may be looked for before long. The new Berenegaria may produce some surprises, now that she has taken to oil fuel, and she is looked upon as "the dark horse" of the Atlantic.

Suggestions being put forward in Prince Rupert sporting circles that the Ben Self baseball shield now held by Prince George, should be competed for at Prince Rupert, are not finding favor with the local boys, says the Prince George Citizen. At a meeting of the Prince George Athletic Association, held last night, it was decided that a definite offer of \$450 should be wired to the Prince Rupert team for a series of three games between that city and Prince George, to be played here on September 3, 4 and 5. The wire also intimated that any coast team competing for the Ben Self shield, trophy or the baseball championship of Central British Columbia, should be prepared to play for the shield here, where it hangs to mark the victory of the Prince George team last year at Rupert.

### PRINCE RUPERT DIVIDED SERIES AT OCEAN FALLS

Won Second Game on Saturday by Score of 4 to 2—Were Given Fine Reception.

By winning the second game on Saturday evening by a score of 4 to 2, the Prince Rupert baseball team split the series with Ocean Falls at the weekend. The players returned to the city on the Chelohsin last night. They were highly pleased with the hospitable reception that was accorded them at the paper town and look forward to a visit from the boys from there in the near future.

Frizzell and Curtis comprised the local battery in the first game on Friday evening which was won by Ocean Falls 8 to 1. Frizzell pitched good ball but some errors on the strange grounds were largely responsible for Prince Rupert's defeat. Owing to the peculiarities of the grounds which make it almost impossible to recover a long hit from either left or right fields, the Ocean Falls people made two home runs in the first game. The home team led all the way in the game which was called at the end of the seventh on account of darkness. Bryden pitched for Ocean Falls and both umpires were strangers to the locals.

The Saturday evening game was started earlier than the first and went the full nine innings, Prince Rupert holding her own throughout. Eady was on the mound for the local team and pitched a fine game being well received by Curtis. Dr. Douglas made a two base hit which accounted for some of the Prince Rupert runs. Marshall was the Ocean Falls hurler.

Harry Astoria, the local spare was on the bench for both games.

W. B. Waldorf has been selected by the football association to referee the Callies-Sons of Canada Gihuly Cup game tomorrow night and Sid Thompson will handle the game on Friday between the Sons of England and Grotto.
