Skidegate Sunrise Mine Will Ship Ore to Anyox as Soon as Present Financial Plans Complete

VANCOUVER, Nov. 1:-Arrangements are being made here for the re-financing and re-opening of the Skidegate Sunrise mine near Skidegate Indian village on Graham Island, Queen Charlotte Islands. Instead of putting in a mill, the Kitsault-Eagle Mining Co. is planning to ship the developed ore to Anyox smelter. This is being done on the advice of W. G. Norrie-#

Loewenthal consulting engineer, who recently examined the proper- LOOK FOR ty and reported very favorably on it, thus backing up the opinion of the district mining engineer.

The decision to raise \$10,000 more money by the sale of stock and to smelter was made at a recent meeting of shareholders of the company here, at which \$2,000 out of the needed \$10,000 was at once subscribed.

be secured from Skidegate to Anyox eighteen men who had been out in and the cost of smelting will be the Big Horn Mountains for a week about \$5.00 a ton.
