ELKS WINNERS OF LACROSSE

Took Yesterday's Game and \$50 Prize and Stalled off Sons Winning Championship.

The Elks won the Trades and Labor Council's \$50 prize and also saved off the Sons of Canada winning outright the Stork Cup and the city lacrosse championship when they came out victors in yesterday's game by a score of 4 to 1. The score was fairly indicative of the merits displayed by the two teams for the lodge men played all around their opponents for the first three quarters, excelling them in combination and general play and keeping the ball in their end of the field the large part of the time. It was not until the fourth when fierce attacks on both goals were the order, each team in this period scoring one goal.

Two goals fell to the Elks in the first period, Easson and Mitchell being the successful stickwielders. Just before the whistle ending the first half blew, Gilhuly made a long run down the field and passed to Taylor who netted the ball just after the whistle blew, the point not counting.

In the second E. Smith made the third for the Elks, an open opportunity being presented him after Mitchell had made an unsuccessful try.

Bombardment of Goal.
Although the Elks made a lengthy bombardment of Don Brown's charge shortly after the opening of the third period, they were unsuccessful in scoring. With the exception of but one or two brief breakaways, the Sons hardly had the ball in their ground at all. The period ended with snappy play developing in midfield, the Elks combination and passing being a feature. H. Menzies, after having held the ball safely for several minutes, was ruled off for fouling.

The stalwart Menzies came through early in the fourth with the one and only tally for the Sons of Canada. This was followed by the fourth by the Elks through E. Smith following a scrimmage in the goal mouth after a brilliant run down the

By George McManus

field by Wigglesworth. In this period the play was backward and forward with little to choose between the two aggregations, several hot encounters in front of the goals with the players bunched together causing some thrills for the benefit of the spectators.

The Elks started off playing ten men to the Sons of Canada eleven but this was remedied in the second with the arrival of Harry Menzies who took up his post with the Sons, Eddie Smith going over to the Elks.

Comments on Play.
Each and every one of the Elks did splendid work and it would be a difficult matter to single out the best players. All were in good form and showed more speed in the first three periods than the Canucks, their combination play also being much more evident than that of their opponents. Lance Styles was, perhaps, the star of the side, his defence being at all times strong and sure. The persistent attack of the Elks kept the Sons on the defensive the most of the time so they were not given much opportunity for spectacular play. The stars of the side were Saint, La Casse, Gray and Menzies.

George D. Tite was referee and Jack Judge and Roi Barnes, goal judges. The teams lined up as follows:

Elks—Sunberg, Lipsitt, J. Mitchell, Oliver, Easson, Gonzales, Taylor, Gilhuly, Wigglesworth, E. Smith and Styles.
Sons of Canada—Brown, Saint, Grossett, H. Pringle, La Casse, Shaw, C. Blythe, E. Smith, Delmonico, Gray, Jacobs and H. Menzies.

Sport Chat

It is getting around to that time of the year when outside sport is beginning to lose its attraction on account of the cool weather and the drawing in of the darkness in the evenings. The outcome of the Senior Baseball League is settled but the ownership of the Exhibition award and the Stuart Shield are yet to be decided among the football teams. This year's program of sport has been a bigger and fuller one than ever before in the history of the city and there has been something on nearly every night at the Acropolis Hill grounds. Of late there has been a noticeable flagging of interest in almost every line

of sport but there will, no doubt, be a revival at Exhibition time with a number of big events being arranged for the occasion.

The only two sport events definitely set down for the week are the Exhibition play-off football games—Grotto vs. Sons of Canada tonight and Callies vs. Sons of England on Friday evening. The two latter teams are just fresh from their meeting yesterday in the Gilhuly Cup finals and the losers of yesterday are counting on revenge at this early date. In view of the recent wretched form of the tobaccoists, soccer fans are predicting another Sons of Canada victory tonight and at least another final encounter for the Canucks. Callies are also pretty confident of victory Friday night and if these uncertain prognostications come true there should be another interesting performance at Exhibition time between the Dominion Day cup rivals.

Manager Pidgeon and the Prince George players scoff at the idea of going to Prince Rupert every year for the next twelve years for the chance of carrying home the Ben Self shield, until such time as the journey would be justified by the ordinary rules of sport, says the Prince George Citizen. This would not be until the other contenders for the shield have played for it on the grounds of the last winners. In the days of chivalry, when a "faire lady" was carried away to a distant castle in a snappy foray, it was not the custom to send her back, and go win her again for another year. The other fellows came and tried to take her away, and this was the period when sport began and its rules hold good today.

Prince George players contend that the people of this city help to support the local baseball team and they have every right to expect the matches for the Ben Self shield to be played here until this emblem is won by another victorious aggregation.

The Prince George players think that Rupert proposals are of an unheard of description and they do not take kindly to the idea of playing for the shield at Rupert and the chances are that if this is insisted upon the shield will remain here until an injunction is obtained from the Privy Council to have it sent back to Ben.

CALLIES WIN GILHULY CUP

Labor Day Football Feature Resulted in Score of 4 to 1 Against Englishmen

The Callies, playing up to their usual great form of late, had no difficulty in defeating the Sons of England in the Gilhuly Cup final yesterday afternoon, the final score being—Callies, 4; Sons of England, 1. The game was a good one though one-sided, and was watched by a large crowd of fans. It went to prove that the Callies, in the stride which they have now struck, are an aggregation of soccerists that will take some stopping.

Winning the toss, the Sons of England elected to kick uphill. At the start the play was fairly even, but the Callies gradually got control and Mackintosh scored the first two goals for his side. In the first period, the Callies were unfortunate in losing their outside right forward, Willie Mit-

chell, who had to leave the field following an injury to his ankle which has laid him up entirely. For the rest of the game the Scots played ten men. The score at the end of the first half was 2 to 0 in favor of the Callies.

In the second half the Sons, with the grade in their favor, came more into the play. Their principal weakness seemed to be that the forwards were poorly supported by the half backs. Mackintosh scored again for the Callies performing the hat trick for the second time this season. Farquhar scored the one and only for the Sons of England, Currie making the fourth counted for the Callies shortly after the leather had been re-centered.

How They Played

The quality of the Callies' play was excellent and one player was about as good as another, none outshining rest. Stockport, Mansell, Wiggins and Hamilton were the stars for the Englishmen.

W. H. Waldorf was referee and S. Butters and George Waugh line-men.

The teams took the field as follows:

Sons of England—Stockdale; Barton and Lambie; G. Mansell, G. O. Shaw and Eddie Craggs; W. Hamilton, D. Wiggins, G. P. Tinker, Hodgson and Farquhar.
Callies—T. Brice; A. Kinghorn and W. Murray; G. Abbott, D. Scott and J. Campbell; W. Mitchell, J. Currie, Eric Mackintosh, G. Sellers and D. Jack.

Mrs. Alexander Mentions Saving

She says she finds the improved Pacific Evaporated Milk better even than the older method. One reason is that she gains 12 cans in two cases, using it in the same way. Mrs. Alexander lives in the North Country. She says up there they use it for everything, from bread to milk puddings, and while they have tried every other brand, none of them quite meet their requirements except Pacific.
