COFFEE

FRESH
ROASTED

Why Fresh Roasted?

Why does the local baker buy his
flour in bulk and bake bread, pies
and cakes daily?
Why does the butcher slice his
dried beef and bacon as they are
called for instead of buying them
ready sliced?
Why does the local fruit store or
peanut man roast peanuts daily in-
stead of getting a month's supply
at a time or three month's supply?
We might go on indefinitely ask-
ing such questions, but why multi-
ply the evidence? The answer in
each case is the same. The shorter
time that elapses between the fin-
ishing process mentioned and de-
livery to the user the more satisfac-
tion with the product.
