DO YOU SMOKE TOO MUCH

There are many men on whose heart and nervous system tobacco produces the most serious results. It causes palpitation, pain in the heart, irregularity of the beat, makes the hands tremble, sets the nerves on edge, causes shortness of breath and loss of sleep.

To counteract this demoralizing influence on the heart and nerves there is no remedy so equal

MILBURN'S
HEART AND NERVE PILLS

They make the heart beat strong and steady, restore tone and vigor to the nerves, and remove all the evil results caused by the tobacco.

Mr. Frank Lutes, 71 Terrace Hill St., Brantford, Ont., writes: "I had been troubled with palpitation of the heart for a number of years, and by spells it would bother me a lot. The doctor told me it would stop on mesquite time if I did not cut out tobacco. When I would get a spell my heart would pound, and I would break out in a perspiration, and get so weak I would have to sit right down and quit my work; also in the night I would wake up and my heart would be going. I should say, about 120 beats a minute. About three years ago I got a box of Milburn's Heart and Nerve Pills, took them, and found that they did the job. I am feeling fine and have gained over 20 pounds in weight."

Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

FATHER'S DEATH IS ONLY AN ERROR

Number Plate in Hospital Placed on the Wrong Bed.

NEW YORK, Jan. 5.—An attendant in a Brooklyn hospital picked up a number plate that had fallen to the floor and placed it on the wrong bed. The occupant of the bed died, and James Crowder, a painter, was informed his father had passed away.

Crowder brought floral pieces and a casket and rented carriages for a funeral. Surely it was a sad Christmas week.

His sister was the first of those to pass by the bier at the final service. She fainted, and in a moment Crowder discovered the dead man was not his father.

A telephone call brought the news that the father was still alive. Then he recovered and is back home with his children.

NOTICE.

Pupils will be taken into the receiving class at Booth Memorial School up to and including Friday, January 6.

CAPTAIN ORMISTON TAKES HIS HOLIDAYS

Popular Skipper of Skagway C. P. R. Boats Will Revisit Old Home Sydney, N. S.

Captain Herbert Ormiston, one of the best known and most popular skippers on the Pacific Coast, has made up his mind to take a vacation. For many years Captain Ormiston has been piloting the B. C. coast service vessels, being at times captain of the Princess Victoria, the Princess Mary, and latterly of the Princess Royal, which latter plied to Skagway all last summer.

Captain Ormiston will revisit his old home at Sydney, N. S.

Captain Ormiston is a "blue-nose" and one who has increased the goodwill towards mariners of that land on this coast from his first experiences here in the early days. From Skagway to Victoria, at Ketchikan or Prince Rupert, anywhere the coast service vessels ply, the name of Captain Ormiston today is held synonymous with courtesy and goodwill, and the fact that he is to take a well-earned holiday will be a delight to his friends and well-wishers.

Captain Ormiston was on the bridge of the Princess Mary when she called here on her last trip. This trip the Skagway coaster is in command of Captain Sainley. The vessel will be back from the north southbound tomorrow night.

LAUNCH WARSHIP TO BE SCRAPPED

TOKIO, Jan. 5.—The dreadnaught Tosa was launched recently at the Mitsubishi shipyards at Nagasaki. Like her sister ship, the Kaga, launched a month ago, the Tosa is slated to be scrapped under the naval limitation plan agreed to at the Washington conference. The Tosa's launching is the last in Japan prior to the naval holiday. The Tosa and Kaga were estimated to cost upwards of 73,000,000 yen each to complete. In their present state they represent approximately one-third of that sum. Each is 700 feet long, has normal displacement of 30,000 tons and was to be equipped with special anti-torpedo protection and armed with a main battery of 16-inch guns.

Give Dad a Good Watch

Dad probably won't say much about Christmas wants, but do a little observing yourself. The chances are that he is totting around an ancient heavy timepiece that does not keep very good time.

Suppose mother and children "chip in" and give him a nice new one. Our prices are fair and square and we have all the best makes.
