The collegiate swimming season promises to be a record breaker in every sense of the word. Several varsity teams have been added to last year's contingent; more competition will be seen than ever before; above all, there is virtual assurance that most of the national college records listed at present will go by the boards. In fact, all but one of the varsity stars who showed iconoclastic ability last year are in the field again, while several new candidates for record laurels have come to the fore lately, so it seems a foregone conclusion that practically the

entire list of registered standards will have to be revised before the season closes. The picture above shows some

of the leading swimmers of the year, many of whom, it is expected, will lower several marks during the coming season.

TRAIL PUTS IT OVER WANDERERS

Won Four of Five Billiard Games Last Night and Lead by 997 to 845.

Five games of the six in the final billiard tournament of the first half of the schedule for the Trail Club Shield were played last night between the Trail and Wanderers' Clubs and the former are ahead by a score of 997 to 845. The Wanderers were successful in winning only one game and that was by a narrow margin, Joe Scott edging Jack Sudan out by 200 to 197. It was Sudan's game all the way until the very last when Scott ran out from 165, with Sudan having but three points to go. W. J. Nelson and W. J. Hemmings lost heavily for the Wanderers, the former being defeated for the first time this season.

The final game between G. Waugh (Trail) and R. H. Shockley (Wanderers) will be played this evening.

Following are the scores of the five games played:

J. Sudan (Trail), 197; J. W. Scott (Wanderers), 200.
W. Barbour, 200; G. S. P. McMordie, 198.
W. Blythe, 200; W. J. Nelson, 116.
J. Judge, 200; F. Stephens, 192.
D. Brown, 200; W. J. Hemmings, 139.

Scots vs. Vets.

Another game in the St. Andrews vs. Great War Veterans' tournament was played last evening. A. Kinghorn (St. Andrews) defeated W. Goodrich (Great War Veterans) by 200 to 194. The total for this series with the one game between Dr. West and R. Davie yet to be played stands at 958 to 850 in favor of the Scots.

WHIST LEAGUE

The Valhalla men whist players defeated the Sons of Canada last night by a score of 5 to 4. The St. Andrews beat the England 7 to 2 and the Oddfellows were successful over the Elks, 5 to 4. The games marked the resumption of the schedule after the Christmas holiday season.

Gasoline Giggles.

It happened in a Brooklyn movie house the other night and we don't blame him for laughing. You see he had removed some spots from his trousers with gasoline just before leaving home for the theatre and the odor of automobile "juice" still lingered in his vicinity when "Topics of the Day" films flashed of flashed on the screen.

Motorist—You should be more careful handling gasoline. Only yesterday an explosion blew up ten employees.

Garage owner—That couldn't happen here—we only have three employees.

His wife nudged him and so did his mother-in-law and we learned further that he didn't smoke a cigarette on the way home. Who says that the movies don't do a lot of good?

20 MILLION GERMS

According to a scientist, are freed every time a person coughs! If you happen to be in the vicinity it is impossible for you to breathe without inhaling some of them. Yet there is one sure way to avoid infection—Keep your mouth and throat bathed with the pleasant but germ-destroying vapor that is liberated from a Pepsa pastille as it dissolves in the mouth.

Not only as a preventive but as a cure for bronchitis, sore throat, coughs and laryngitis. Pepsa are equally good. All dealers, 50c. box.

BUSY YEAR IN SPORT WORLD

All Branches Will Reach Greater Popularity Is New York Opinion.

NEW YORK, Jan. 5.—(By the Associated Press).—Sport, both amateur and professional, will reach a plane of popularity during 1922 never touched in the past, according to the expressed opinions of athletic leaders on the event of the new year. Regardless of the outpouring of millions of spectators and contestants in the games of the past 12 months it is the unanimous belief of those best qualified to gauge the development of sport, that the coming season will witness new records in interest, participation and attendance.

That these opinions are based upon substantial grounds is shown by the rapidly increasing list of important contests, both international, national and international, which are being added to the 1922 sport schedules. International tennis, golf, yachting and track meets are already in the making; numerous inter-sectional football games have been ordered and there will be a wider increase in entries for various national championships, both numerically and geographically, than in the past.

From all sections of America comes the report that interest in sport is steadily growing; the formation of new inter-collegiate and inter-collegiate associations; wider participation in games; the development, physically, of the youth of the land and the belief that sport in the broadest application of the word will be a growing factor in the history of America for decades to come.

Sport Chat

The first step in arrangements for the Davis Cup matches of 1922 has been taken by the United States Lawn Tennis Association which has sent letters to nations that have competed for this trophy inviting their challenges for next year's contest. These must be received before March 22. As the holder of the cup it devolves upon the United States to issue these invitations. It is understood that America is desirous of as much competition interest in tennis, it is likely there will be many entries.

At the height of his playing career John J. McGraw, then a member of the Baltimore Club, was sold with two other star baseball players to the St. Louis team for \$15,000. Last month the same John J. McGraw, as vice president of the New York National League baseball club, paid the sum of \$175,000 for two players, one of whom will not be available for the Giants until the 1923 season. In the spread of these two deals is epitomized the progress of baseball in two decades. The players involved in the latest deal are Heinie Groh, of Cincinnati, \$100,000, and Jimmy O'Connell, of San Francisco Pacific Coast team, \$75,000.

It is a melancholy fact that boxing in Great Britain is becoming a rapidly dying art, says the Manchester Guardian. Many important contests have been staged in England since the war between men of apparently the highest reputation in their profession. Hundreds of thousands of people in keen anticipation, have flocked to see one of these exhibitions of the noble art, and more often than not have returned home sadly disappointed. Rarely does one see variety in attack or defence. Each round seems to be cut from the pattern of the first. Ingenuity, craft, intelligence, seem to be rigorously barred by our modern boxers. Skill has gone by the board. Routs today have no sparkle, and hardly ever convey a sense of awesome tension; they are generally dull, boring affairs.

VICTORIA WINS IN ROUGH GAME

Patchy Contest With Seattle Last Night in P. C. H. A.—Score 4 to 3—Overtime.

VANCOUVER, Jan. 5.—Victoria defeated Seattle by a score of 4 to 3 in a fifteen minute overtime game in the Pacific Coast Hockey League last night. The game was a patchy one and Seattle played well in the first half being three to nothing ahead at the end of the second period. Victoria then came from behind, and taking possession of the ice, whipped Seattle for two periods. There was much rough play and a total of twelve penalties was handed out by the referee.
