Party Discusses What It Would Do If It Got In Power

The Prince Rupert branch of the Socialist Party of Canada held its regular business meeting in its new headquarters in the Hays Block last night. J. Shenton, the president, was in the chair with a fair attendance present.

The most important business dealt with was a questionnaire from the provincial executive, the subject matter of which was: "What would the party do if it had a small majority in the federal or provincial house?"

There was lengthy discussion on educational classes, open forums and propaganda meetings. A committee was elected to arrange meetings and report to a special

**WELL KNOWN COUPLE WED**

Miss Christina Wood Became Bride of Alexander Haig at Ceremony Last Evening

At a quiet but interesting wedding ceremony in the Manse of First Presbyterian Church at 7 o'clock last evening Miss Christina Gordon Wood, elder daughter of Mr. and Mrs. Robert Wood, 969 Seventh Avenue East, became the bride of Alexander Haig, eldest son of Mr. and Mrs. Haig of Roslin, Scotland. The ceremony was performed by Rev. W. D. Grant, Hollingworth, only members of the bride's party being present.

The bride wore a pale blue lace gown with hat to match and carried a bouquet of pink carnations and roses. Mrs. Angus Macdonald was matron of honor and wore pale green with hat to match, carrying a bouquet of carnations. The groom was attended by Angus Macdonald.

Following the ceremony, a reception was held at the home of the bride's parents, a few invited guests being present. A delightful wedding breakfast was served at which the toast to the bride was proposed by the groomsmen and replied to by the groom.

Mr. and Mrs. Haig left later in the evening on the steamer Prince Rupert for a three weeks' honeymoon trip to Vancouver and elsewhere in the south. Returning via Jasper Park and Smithers, they will take up residence on Sixth Avenue East. The bride's going-away costume was a brown georgette dress with brown coat and hat.

Both bride and groom are well known and popular in the city and will have the hearty congratulations and best wishes of many friends. The bride, who has lived here since girlhood, was until recently a member of the staff of the Thrift Cash and Carry Grocery. The groom is in the service of the Canadian Fish & Cold Storage Co.

Disorder Breaks Out as Trustee is Being Elected at Quick—Man Is Fined

As a result of a fracas at a recent meeting of the Quick school board, William Henry Cox has been fined \$10 and costs by Stipendiary Magistrate R. L. Gale of Smithers on a charge of creating a disturbance, according to a report received at divisional headquarters of the provincial police.

The trouble occurred at a meeting of the Topley School district which was called for the purpose of electing a trustee. There were two nominees, one of whom was Cox. When Chairman Frederick Hill challenged the right of some allegedly unqualified voters to cast their ballots, Cox is alleged to have become abusive, calling the chairman names.

Cox's trial on the charge of creating a disturbance followed.

Whatever is coming, there is but one way to meet it—to go straight forward, to bear what is to be borne, and to do what is to be done.

**Guide to Correspondents**

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.

**Quebec Gates Are Historic**

THOUGH obsolete as a military fortification, the great wall, pierced by numerous gates, which once completely surrounded the old town in Quebec city, adds greatly to the picturesque quality of the former capital of Canada. The photo shows a Ford V-8 de luxe roadster parked in front of St. Louis gate in the old wall.

The present walls and the Citadel were completed just 100 years ago. They surrounded the old or lower town, which remains the center of the commercial life of the city, although the public buildings, churches and newer residential areas are found in the upper town. Many locations in the lower section of the city vividly recall some of the older portions of many French provincial towns.

Mrs. T. Upper, Willard Ave., Toronto, Ont., writes:—"Two years ago my children had whooping cough, and after that a nasty cough seemed to hang on which worried me very much."

I read about Dr. Wood's Norway Pine Syrup, and thought I would give it a trial. I found that after giving it to them for a while their cough left them entirely."
