### SKIDEGATE

Many friends on the Queen Charlotte Islands of Capt. Jack Haan of Queen Charlotte City will be pleased to hear that he is making satisfactory recovery following a recent operation at the Prince Rupert General Hospital. Capt. Haan is under the care of Dr. W. T. Kergin.

Capt. C. Valley of Burbank Place motored down to Skidegate recently to visit with friends. Capt. Valley reports that he is through with fishing for the year.

The Queen Charlotte Islands seem to be fairly overrun with deer this fall. There are believed to be thousands of the animals. Geese are also very plentiful this year.

Jack Hansen, superintendent of the Kelley Logging Co. at Selwyn Inlet, came up to Skidegate recently on his speedboat for a brief business visit. While here he was the guest of Mr. and Mrs. E. C. Stevens. Mr. Hansen reports that all the company's camps are now closed down and there is no certainty as to when they may be expected to reopen.

## WHAT'S NEWS TO YOU?

THRIFTINESS is a state of mind that is nearly as valuable an asset as a bank account. . . . For thriftiness can always get a bank account of its own.

And it's easy to tell thrifty people from the way in which they read the newspapers — just as you can usually spot the other kind.

The great majority of men and women never put a newspaper down until they have read the important news which is directed to them through advertisements.

The modern woman, especially, finds the advertisements indispensable. She spends more than five-sixths of the family income. And the prosperity, happiness and health of her household frequently depend on her reading of the advertisements and on the wisdom with which she chooses everything she buys.

The advertisements bring you complete information about accepted products and new ones. Through them you can compare values . . . discover ways and means for greater household efficiency and enjoyment . . . and make sure that every dollar spent will bring its full return.
