

## COMMITTEES OF COUNCIL ARE NAMED

Ald. Collart to Finance—McLeod and Montgomery to Works—Kelly to Utilities.

### Headaches Gone

Perhaps you can imagine what this means to one who had suffered terribly with headaches for ten years.

Read about it in this letter.

Mrs. Tena A. Smith, Country Harbor Cross Roads, N. S., writes:

"I feel that if anyone can recommend Dr. Chase's medicines I certainly can. I suffered for ten years from severe headaches, and although I took all kinds of headache powders they just relieved me at the time. I became very nervous and run-down, and everything seemed to trouble me. I have taken eighteen boxes of Dr. Chase's Nerve Food and it has made an entirely new person of me. I felt that I could not have lived without it. I do not have one headache now for every hundred I used to have, and my nerves are good and strong. I just weighed 109 pounds when I began using Dr. Chase's Nerve Food, and now I weigh 121. Knowing what this treatment has done for me, I cannot too highly recommend it to others."

### SCHOOL BOARD IS TO BE ADVISED AS TO LAW FIRE ESCAPES

Council Meeting Last Night Dealt With Matters Referred From 1921 Council.

The granting of \$2500 towards the cost of putting in a swimming tank at the Booth Memorial School, the instructing of the school board to have fire escapes installed at the same school, the purchase of an ambulance for the General Hospital and the report of the superintendent of utilities regarding the development of North Fork of Shallowans River and Woodworth Lake for power purposes were matters transferred from last year's council which were dealt with at the first meeting of the 1922 council last evening.

The matter of the swimming tank was referred to the board of works for report.

In regard to the school fire escapes it was moved by Ald. Dybhavn and seconded by Ald. Perry that the school board be communicated with pointing out that the law required that these fire escapes be put in and it was the opinion of the council that the law should be complied with. The resolution passed.

The matter of the ambulance and the further power development were referred to the utilities committee for further report.

### The Man in the Moon Says—

DON'T let a flea spoil your disposition.

OF all the people in this town only about ninety per cent feel that they have enough money to live on. And the percentage is low here compared with most places.

A CORRESPONDENT wants to know why a pretty girl is fascinating. Well, is she?

An artful temperament is another name for an ugly disposition. Avoid it as you would the plague.

THE matchmaking industry is said to be controlled almost wholly by women.

SHORT and snappy is the slogan, when it comes to hair or skirts.

A YOUNG woman is quite a sport for she is out gunning for a deer.

AMONG the things that don't get you anywhere is wishing you had voted Liberal.

THE young man and young woman who have difficulty in finding out that they love each other live happy ever afterwards, according to the fiction stories. But then the author's conception of the word "ever" is not just what it should be.

## Sport Chat

The Colts basketball team and the fans who made the trip to Port Simpson on Wednesday were given a great reception at the Indian village. The whole town turned out for the match and following the playing there was a dance. The locals, used to the spaciousness of the Agricultural Hall, found it somewhat difficult playing in the smaller quarters of the Port Simpson Athletic Hall and they account for their defeat, in no small degree, to the strange and restricted surroundings. Following the match, the Colts challenged Port Simpson to a return game here which will likely be arranged for an early date. As the Port Simpson people gave \$15 of the proceeds of the game to their visitors to help defray expenses similar treatment will be given Port Simpson when they come here.

The Port Simpson boys were a good deal heavier than the locals and the game developed into a rough one in which the Colts received considerable man-handling. Eric MacIntosh had his lip cut and was taken to the hospital where Dr. Sager put in three stitches. A humorous incident occurred at the hospital, where Harry Astor had conveyed the injured one for repairs. When Dr. Sager commenced his operations, Eric fainted and shortly after Harry also took the count on sight of the surgical performance. Both soon came to, however, and were little the worse of it.

The trip on the Narbethong both coming and going was a pleasant one. Leaving here at 2 o'clock in the afternoon, Port Simpson was reached just about 5.

There was a preliminary game between the old timers and youngsters of Port Simpson and then the headliner commenced. The dance followed and about 11:30 some of the boys went down to the Narbethong to get ready to leave. When they arrived at the wharf they found their craft aground and Captain Freeman, their genial skipper, sound asleep inside. He was quickly aroused and the boat cleared and the return trip commenced.

When they were off Georgetown a snowstorm started and it became very dark and Captain Freeman thought it would be far safer to return to Simpson. Accordingly they spent the night there and set out for home yesterday morning arriving here about 12:30.

The lineups and scoring of the game was as follows:

Port Simpson—Ed. Wesley, 2; G. Webster, 10; P. Alexeev, 15;

D. Musgrave, and Charles Green, 21—56.

Prince Rupert Colts—W. Mitchell, 14; E. MacIntosh, H. Frizzell, 4; G. Mitchell, 6, and Ralph Smith, 24.

Charles Ryan, who refereed the game here a few weeks ago, acted as arbiter.

## UNION BANK OF CANADA HAS AN EXCEPTIONALLY STRONG STATEMENT

Bank's Position is Well Maintained, the Liquid Assets being 53.70 per cent of Total Liabilities to the Public—Resources aggregate \$152,625,386

THE balance sheet of the Union Bank of Canada, for the fiscal year ended November 30th, 1921, which was returned to the shareholders at the 57th annual meeting, held at the Bank's head office in the city of Winnipeg, on Monday, January 9th, discloses this well-known banking institution to be in a very strong and liquid position. The meeting was largely attended by representative shareholders. W. R. Allan, Vice-President, presided. H. B. Shaw, General Manager, presented the Bank's Annual Statement.

Following the shareholders' meeting, the Board of Directors elected W. R. Allan, President, John Galt, former President, retiring because of his removal from Winnipeg to Victoria, B.C. Mr. Galt remains a Director of the Bank. H. B. Shaw was elected Vice-President and will continue as General Manager.

The Bank's assets total \$152,625,386. The readily available portion of these assets represents 53.70 per cent. of the Bank's total liabilities to the public, thus demonstrating that the liquid position of the Bank has been strongly maintained.

A very strong feature of the statement is the carrying forward of \$541,636 into next year's profit account, this being \$400,000 greater than the previous year, and the largest amount in the Bank's history.

That the Bank has continued to do its full share for the commercial interests of Canada is shown by the fact that the total of these loans at the end of the year was \$62,010,007.

Grain loans total \$7,295,483. Loans to Governments and Municipalities are \$7,420,529.

Deposits totalling \$116,723,755 are reported.

Net profits for the year amounted to \$1,342,339, which is about \$300,000 less than the previous year.

Complimentary copy of our Year Book, giving statistics of the progress of Canada may be obtained from any of our branch managers.
