

# A FARMER'S MISHAP

Farmer Edward Crane, of Kilmarnock, Ont., writes:—"I was driving three horses on a disc-harrow when the harness broke, and while fixing it, one of the horses kicked me against the sharp edge of the harrow. I sustained a nasty cut on my elbow and wrist, and as I could not leave work to get the wounds dressed, dirt got into them and my arm became very painful. It looked for some time as if I were going to have some very bad sores, but I was advised to try Zam-Buk. I did, and in a few days my arm was much better—less painful, and the stiffness less troublesome. I continued using Zam-Buk

freely and in a short time the wounds were entirely healed. I believe Zam-Buk to be the best ointment obtainable. It should always be at hand ready for emergencies."

Mothers and fathers should bear this in mind. In the home, on the playground, at school, or in the workshop accidents will happen, and Zam-Buk is the best "first aid." It is strongly antiseptic—kills the germs which cause inflammation, festering and blood-poison. The rich herbal essences of which Zam-Buk is composed, soothe pain and quickly heal any injury. Zam-Buk is also a cure for eczema, ulcers, abscesses, piles, blood-poisoning and all skin diseases. 50c. box, all druggists and stores or post free from Zam-Buk Co., Toronto, for price. The first half of the schedule in the Trail Club shield billiard series will come to an end this week with the completion of the tournaments between the Great War Veterans and the St. Andrew's scheduled for last night, and the Trail and Wanderers, set down for tomorrow. The latter tournament should prove one of the most interesting of the series for in it the two leading teams of the season come together and they are keen on winning. Odds are pretty safe on the Trail, however, to end up in first position on the conclusion of the first half for the Wanderers have a tremendous lead to overcome and one that can hardly be broken down in a single tournament. However, there should be some good games just the same and every little bit in either direction helps the team which gains it.

Crib and billiard tournaments are now in progress at the Elks' Home and the draws for the first round have already been made. The cribbage draws were as follows: F. Gihuly v. J. Cobb; Geo. Frizzell v. Day Bell; C. Welch v. W. W. Knight; P. Solem v. G. Waddell; E. A. Donohoe v. G. Anderson; U. U. La Casse v. Jacobsen; R. Arthur, Sr. v. E. Green; L. Astoria v. E. Henning; J. Wick v. W. E. Willis; J. N. Sinclair v. S. K. Shane; W. E. Thompson v. W. J. Cash; R. Lepine v. B. Morgan; G. McIlmoyle v. W. F. Roberge; B. McEvoy v. Havens; C. H. Elkins v. W. Blythe; H. Fraser v. D. Milne.

Billiards—First round—R. Greenfield v. W. E. Willis; L. Astoria v. D. J. Cook; J. N. Sinclair v. G. McIlmoyle; H. E. Astoria v. R. Arthur, Sr.; Jack Keefe v. C. H. Elkins; M. M. McLauchlan v. C. Balagno; E. Green v. H. Atkins; J. Bulger v. Geo. Frizzell; B. Morgan v. J. J. Judge; Ben Self v. R. Arthur; W. G. Blythe v. J. Day Bell; W. E. Thompson v. J. F. Maguire; H. Fraser v. W. F. Roberge; H. H. Long v. K. A. Rood; W. Balagno v. W. F. Roberge; B. McEvoy v. J. Cobb.

The question of women football players was among the matters discussed recently in England, by the Football Association Committee and the following resolution was passed unanimously: "Complaints having been made as to football being played by women the council felt impelled to express their strong opinion that the game of football is quite unsuitable for females and ought not to be encouraged. Complaints have also been made as to the conditions under which some of these matches have been arranged and played, and the appropriation of the receipts to other than charitable objects. The Council are further of the opinion that an excessive proportion of the receipts are absorbed in expenses and an inadequate percentage devoted to charitable objects. For these reasons the Council requests clubs belonging to the Association to refuse the use of their grounds for such matches."
