## PRESBYTERIAN ANNUAL PICNIC

About 300 happy children and their parents spent yesterday afternoon at the Presbyterian Sunday School picnic at Parizeau Point, Digby Island. The many boats started to leave the Prince Rupert Rowing and Yachting Club at 2:30 in the afternoon and all were home again by 9 in the evening. Dawson, George Munro, Jarvis McLeod, John Currie, James G. Steen, J. L. Christie and D. C. McRae, comprised the committee in charge. George Munro managed the races assisted by George Bryant and D. C. McRae, and the winners of the various events were as follows:

Boys, under 5—Lloyd Greer, Floyd Ely.  
Girls, 6 and 7—Joan Arthur; M. R. Fuller.

The following boats took the picnicers to the island: George Bryant's Harla; J. C. Brady's, Asolondo; Alex McRae's Lois M.; John Currie's Donnie Mac; Douglas Stork's Sunbeam; F. R. Havens' and D. C. McRae's launches.

## PROFESSOR SMITH DISMISSED FROM WESLEY COLLEGE

Takes Exception to Reasons Given for Relieving Him of His Duties.

WINNIPEG, July 6.—Professor W. G. Smith, of the philosophy and sociology departments of Wesley College, has been dismissed by a majority vote of the board of directors of the college on the ground of insubordination. The professor announces that he intends to fight the action of the board, declaring that the charge preferred against him is an "unmitigated falsehood."

Action by the board follows a dispute of long standing between Professor Smith and President H. H. Riddell, which resulted in an open breach at the Methodist conference held recently in Winnipeg, when the professor told the delegates that "moral conditions among students at the college were not what they should be."

## ACTORS HAVE HARD TIME IN ENGLAND

Many Out of Employment Owing to Lack of Attendance at Theatres

LONDON, July 6.—Thousands of actors and actresses in England are out of work. The hot summer, the closing down recently of six London playhouses, and

the exodus of the theatre-going public to the seashore have been the main factors. In their efforts to keep the wolf from the door, men and women of the histrionic art have accepted small parts in cinema productions.

An endeavor is being made to relieve the situation by the formation of a kind of co-operative theatrical company for the benefit of the workless actors and actresses. Those taking part receive \$15 a week. "East Lynne" was the first play given, but after a four-weeks' season it was found that the company had lost \$250, after paying artists' salaries, so the venture went on the shoals.

## BABY SHOW WILL BE CONDUCTED IN NEW IMPROVED MANNER

A great improvement in the conducting of the Baby Show in connection with this year's exhibition is planned by the Fair Board. The system of examination and judging used in the better Babies' Contest of the Provincial Exhibition is to be adopted. This provides for a thorough examination of the babies by a physician on points. All physical points, including measurements and proportions, will be taken down and charts and certificates will be provided for the parents. The former weight and beauty classifications are not to be followed but instead the best babies of different ages will be selected, all points being taken into consideration.

There will be four classes as follows: Under six months; six months to twelve months; twelve months to twenty-four months; twenty-four months to thirty-six months.

## MAGISTRATE BACKS UP TEACHERS IN THE PUNISHING OF PUPIL

WINDSOR, July 6.—Three school teachers of Sandwick were charged with assault on a girl pupil whom they whipped and who in the struggle lost a bit of skin from her nose. The magistrate in dismissing the case declared that discipline must be maintained and that there was no evidence of brutal treatment.

"The girl's actions were willfully disobedient," he said, "Discipline must prevail in our schools. I have raised several children of my own, and one of them was taught by Miss Forester, one of those accused." The costs of the case were assessed to the complainant, the girl's father.
