DAILY EDITION

Thursday, May 25, 1922.

ELKS' VICTORIA DAY CELEBRATION IS CROWNED WITH GREAT SUCCESS; SPLENDID DAY'S PROGRAM OF FUN.

(Continued from Page 1.)

Brownies' race—Christie McLeod, Mary Meuse, Evelyn Vickers.

First, second and third prizes were awarded in each race. The officials in the children's races were Police Chief W. Vickers, official starter, Jack Keefe, Andy Akersburg, Bert Glassey and L. Dewhurst, committee; E. A. Donohue, announcer.

Intermediate Baseball.

By the time the intermediate baseball game between the S. O. C.'s and Gil's commenced a large crowd had assembled and, but for an odd light shower, the game was played in fine weather. It was a splendidly contested match, Gil's having the edge on their opponents to the tune of 9-8 score. D. Robinson as pitcher and Don Graham as catcher composed the battery for the Sons of Canada, while W. Montgomery and "Red" Davidson performed like honors for Gil's. E. A. Donohue umpired the game and F. V. Delcourt was base adjuster.

Football Game.

The football game, England and Scotland vs. Ireland and Canada, created a great deal of interest and a bumper crowd was on hand soon after 1 o'clock to witness the well-contested struggle, in which Ireland and Canada nosed out victors by 1-0 score over their opponents.

The teams lined up as follows: Ireland and Canada—Martin, goal; H. Menzies and Bob Mercer, full backs; W. Anderson, V. Menzies and Davis, half backs; D. Robinson, J. Kirby, Marks, Warren and J. Farquhar, forwards.

England and Scotland—Stockdale, goal; Ross and Jack, full backs, Mansell, Kelsey and

Craggs, half backs; Kilday, Roy, Tinker, Lamb and Butters, forwards.

D. McCulloch handled the game well as referee.

The loss was won by the Canadians and Irish who elected to kick down grade and got away to a good start. Within two minutes of play being commenced Marks got to within dangerous distance of Stockdale and beat him with a swift ball. There was nothing really to choose between the teams which were splendidly matched and the game throughout was a good exhibition of football. Although in the second half, the English and Scotch, with the grade in their favor, tried valiantly to equal the score up, they found it impossible and the game ended with the Canadians and Irishmen victors by a score of 1-0.

A. Clapperton and Davey Wiggins were linesmen.

Scouts' Exhibitions.

The exhibition by the Boy Scouts and Cubs at 2:30 p.m. brought forth much applause. The manner in which the Scouts performed their Swedish drill evolutions and signalling drill, under Scoutmaster Teng, was highly commendable and reflected great credit on their drill director. The ambulance section of the Boy Scouts, under Scoutmaster Alex Riv, gave a fine and businesslike display of first aid work and were much admired by the audience.

The Wolf Cubs, under Scoutmaster W. Gibb, gave a splendid exhibition of jiu-jitsu wrestling which was highly instructive and amusing. The little fellows certainly went into the display with much vigor, and proved themselves a credit to their tutor.

The Scouts and Cubs repeated their displays inside the exhibition building afterwards for the benefit of the crowd who were immensely enjoying the fun of the fair and met with a great reception.

Senior Baseball.

The senior baseball game be-

SUFFERED YEARS WITH ECZEMA

"Fruit-a-tives" Cleared Her Skin

POINTE St. PIERRE, P.Q. "I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good.

Then, I used one box of "Sootha Salva" and two boxes of "Fruit-a-tives" and my hands are now clear. The pain is gone and there has been no return. I think it is marvelous because no other medicine did me any good until I used "Sootha Salva" and "Fruit-a-tives", the wonderful medicine made from fruit.

Madam PETER LAMARRE. 50c a box, 6 for \$2.50. Trial size, 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

Large Stock on hand. Prices very low.

J. F. MAGUIRE

Next the Prince Rupert Hotel

When the Sons of Canada and the Elks would undoubtedly have proved to be the tit bit of the sports program but unfortunately a heavy rainstorm, which started soon after four o'clock, forced the record crowd of spectators and the players to take cover in the middle of the fourth innings. The rain continued with such persistency that the game was eventually called off, the score at the breakup standing 8-3 in favor of the Elks. Geo. Hill, as catcher, and V. Menzies, as pitcher, formed the battery for the S.O.C.'s and Fred Hale, Pitcher, and Geo. Shaw, catcher for the Elks.

P. Laport was balls and strikes umpire and S. J. Evans, bases.

In the Building.

In the evening the sun shone brilliantly, and all roads led to the exhibition building where, from 7:30 to 9 p.m., the carnival was in full swing. Everything was at hand from the famous "hot dog" to the nigger babies and the raffle for a sack of flour. The building was soon packed to capacity and the gallery did yeoman service for the accommodation of the record crowd present.

At 8 o'clock the Girl Guides, under the leadership of Mrs. H. L. Roberson gave a very graceful demonstration of flag signaling. Their gracefulness and exactness in executing the drill movement was highly appreciated by all present.

The band concert by the Greenville native band was all that could be desired in the musical line and their operatic selections, were beautifully rendered.

Serpentine Dance.

Soon after 9 o'clock the floor was cleared and the Greenville band was relieved by the Elks' orchestra, under the leadership of G. Balagno. To the merry tune of a one step the floor took on a very animated and brilliant appearance, being soon covered with gentlemen and their fair partners gaily bedecked in colored caps, the majority carrying the Union Jack. Dancing continued until early morning when the playing of the National Anthem brought a wonderful day's enjoyment to a successful close. Empire Day, 1922 will be long remembered by young and old as the greatest Empire Day Prince Rupert has ever celebrated and the victors' laurels will crown the local Elks organization abilities.

The tea room operated by the Ladies of the Royal Purple in the building was very popular. From early morning till late at night their cosy and prettily decorated corner was visited by large crowds. The afternoon tea proved particularly popular and the difficulty was to get a table. Tea and coffee was poured by Mrs. H. L. Roberson, Mrs. T. M. Spencer and Mrs. Hemming during the afternoon.

The Elks' committee, the city police, and the fire department are to be congratulated upon the manner in which the large crowd was handled yesterday and for the way in which the safety of the public was cared for. In view of the amount of paper used in the decoration scheme and the danger that may have resulted

STORK VISITS LOCAL TRAIN

Two-Day Old Son of Mr. and Mrs. Charles Lindstrom, Remo, Has Odd Distinction

The stork has, doubtless, ere this time been known to visit trains and boats but to the two-day old son of Mr. and Mrs. Charles Lindstrom, of Remo, belongs the distinction of being the first child to be born on a passenger train on the western division of the Canadian National Railway between Edmonton and Prince Rupert. This young gentleman, on Tuesday afternoon, first saw the light of day in the compartment of Carlisle sleeping car as the westbound passenger train was making its way along the banks of Skeena River. There were no physicians or nurses, aboard the train, but the child was successfully ushered into the world, Mrs. C. M. Bushy, of Montreal, who was a passenger on the train coming here to join her husband, taking charge and being given every assistance and courtesy by the train crew in their novel experience. At Tyee a message was sent to Dr. W. T. Kerzgin, of this city and, on arrival of the train at 7:15, he and his nurse were on hand and Mrs. Lindstrom and baby were taken to the General Hospital in E. J. Large's ambulance car. Mother and child, a fine bouncing baby boy, are doing splendidly according to report received from the institution today.

Officers of the train, who are vying with each other for the honor of godfatherhood, suggest that Carlisle would be the appropriate name for Mr. Lindstrom, Jr., when the parents get around to the business of christening.

Ten Years Ago in Prince Rupert

Those who were out early enough yesterday morning were favored by witnessing a martial ceremonial performed by Earl Grey's rifles which gave the necessary touch of militarism to the celebration of Empire Day in Prince Rupert, and was most effective. At 9 a.m. the company marched out of the drill hall and, formed in "company line" on the smooth surface of Second Avenue, specially sprinkled by the fire department. Here a feu-de-joie was fired, three rounds of ammunition being shot into the air, followed by the royal salute and three cheers for the King.

Afterwards the company marched around the parade ground and then executed the "march past" most effectively, the soldierly appearance of the regiment being remarked upon by all. Later the company betook themselves to the ranges across the harbor, where a successful match was shot off with the civilian riflemen.

OPENING OF YACHT SEASON YESTERDAY

Yesterday was the opening day of the summer season for the Prince Rupert Yacht Club and clubhouse was gaily bedecked with flags in honor of Victoria Day. The club wharf was alive early with members who spent the day in painting and overhauling their water pets. Quite a number getting their engines running smoothly left the moorings for local fields of exploration.

R. E. Benson, with the Poinsettia II, got his engines going fine early in the day and intended to run up as far as the cannery. Having backed out of the bay the steering wheel felt a bit groggy with the stern of the boat it was and upon closer acquaintance discovered that the rudder was conspicuous by its absence. However, all's well that ends well, and with a little paddling effort the faulty boat was brought back to its stall safely.

from an outbreak of fire, Fire Chief McDonald issued orders that no smoking was to be allowed in the building. Police Chief Vickers had a policeman on duty in the building last night to see that this order was strictly adhered to.

The total receipts taken by the Elks at the Aeropolis Hill grounds an exhibition building amounted to over \$2000.

Well-known Glove Manufacturer Tells of His Remarkable Experience With Dr. Chase's Nerve Food

MR. HERBERT STREET COWAN, President and General Manager of the Craig-Cowan Co., Ltd., Glove Manufacturers, 154 Pearl St., Toronto, writes:

"About ten years ago, at the age of 37, I had a stroke, as a result of which I have been partially paralyzed ever since.

"For two years I lay in the house in a helpless condition in spite of all that six doctors could do to restore me. I also resorted to massage and electrical treatments, but without very much apparent benefit.

"About seven years ago I began to use Dr. Chase's Nerve Food, and have used it at intervals ever since. It

is only by using this restorative treatment that I have been able to attend to my large and growing business, and for this reason I feel that the least I can do is to recommend the use of Dr. Chase's Nerve Food to others who suffer from nervous derangements.

"In fact, it has afforded me a great deal of pleasure to recommend the use of Dr. Chase's Nerve Food to my friends, and to observe the way in which they have been benefited by its use. As a result of the large number of cases I have observed, as well as my own remarkable experience, I feel that I can speak with some authority."
