Red Mountain

The prompt recovery of Red Mountain shares from the low level of 45c to Monday's close of 59c has partially fulfilled the prediction we made in these columns.

We are advised by the Boundary Red Mountain management of a second bullion production record amounting to \$3985 in seven days. This was at the rate of \$565 per day and showed a material improvement over the preceding nine days when the daily gross output was \$493.

If you will contrast this output of gold with the present quoted value of Boundary Red Mountain shares you will understand our advice to enter your order at today's market.

Full particulars concerning the property furnished on request.

RED LIGHTS TO REDUCE POLICE

Suggestion by Mayor Made to Police Commission—Estimates Called

NEW ALARM SYSTEM FOR PATROL OFFICERS

At the suggestion of Mayor Rochester, the police commission at its meeting last night passed a resolution giving the mayor power to secure full information regarding the cost of installing a system of red lights at the top of light poles around the centre of the town in order to notify policemen on beat when they are needed at the station. By this method the commission hopes to cut down the staff by two men and also to eliminate having a constable on duty at the station all night to receive calls or complaints. Another feature of the new system will be that the provincial police will be asked to take charge of prisoners as the commission deem it very unwise and inhuman to allow them to be in the station in their cells all night alone in case of accident.

Mayor Rochester, in reporting on the system, stated that he had been informed by the superintendent of utilities that the cost would be in the vicinity of \$500 to \$600. This sum would be made up in a short time by the cutting down of the force.

Working of System
The working of the system, briefly is this. Lights will be placed on poles in a loop around the city. Whenever a phone call is sent into the station it will go through the telephone exchange first. The operator on duty will request the party to hold the line or get the message. Then she will turn on a switch which will light all these lights and the policeman patrolling the streets will phone in to the operator as soon as he sees the lights go on and receive the message. Any person wishing to make a complaint to the police at night will simply call 40 and the operator in turn will inform the policeman by turning on the lights. It was suggested that all parties having complaints should phone in if possible or call at the operator's office.

The system is very much like the American District Telegraph and the only expense will be putting the lights on the poles. The topographical layout of the city is such that these lights could easily be discerned from any point. Immediately the constable phones in, the lights will go off.

The commissioners considered the suggestion a very good one and the only one by which the force of the police department could be reduced.

The suggestion was made by the mayor following the receipt of a letter from L. Potterton, formerly on the force in England, asking for a place on the local force. In view of the mayor's suggestion the letter was filed.

The passengers going south on the Prince George last night included Miss M. Comozzi, Miss E. Goehde, J. Chapman, A. T. Tiddle, B. Levinson, Earl Chambers, H. White, T. Broadshaw, A. Morrison, Mr. and Mrs. D. C. day, P. Wallace, J. Collier, for Vancouver; W. McLean for Victoria; S. P. Fitzgerald and Fred Fulk, for Seattle, and W. S. Fisher for Ocean Falls.

Prommie Rossi, was arrested last night and in the police court this morning was fined \$25, or thirty days in jail for having taken and driven an automobile owned by Joe Brown.

L. W. Palmore and Milton Gonzales left on last night's train for Terrace where they will appear in connection with prosecutions under the Government Liquor Act.

J. A. Helanger left on the train last night for Quebec on the way to his home at Saint Sylvester, P.Q. He has been prospecting in the north for some time.

Liver Trouble Pains in Stomach

Most of the misery and ill-health that humanity is burdened with arise from disorders of the liver, stomach or bowels.

If you are feeling out of sorts, have pains in the stomach, especially after eating, sour stomach, bilious spells, sick or bilious headaches, heartburn, water brash, etc., you should take a few doses of Milburn's Laxa-Liver Pills. They will live up the liver, regulate the bowels, and tone up the stomach.

Mr. T. C. Hailman, Highgate, Ont., writes:—'I have had liver trouble and pains in the stomach for a long time. I started to use your Milburn's Laxa-Liver Pills, and in a short time I noticed they were helping me. Now I would not be without them and cannot recommend them too highly.'

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
