

REMINGTON Portable

A Worthy Chip of the Big Remingtons

A Typewriter built especially to meet the requirements of the professional man, the reporter, traveler, in fact, any man or woman who writes.

Fits in a case 3 1/2 inches high and weighs but 10 1/2 pounds when ready to carry, yet is strong, compact and complete--writes with that beautiful clear-cut impression which so characterizes the Remington--is the only portable having the universal keyboard.

Cash price now only \$75.00 or terms arranged.

See display in our window.

SCOTCH SOCIETY TO FIND LOTS

First Meeting of St. Andrew's Held Last Night in Fulton Street Home.

The regular monthly meeting of the St. Andrew's Society was held last night at their new home on Fulton Street. The executive committee was authorized to endeavor to locate suitable lots which would enable the Society to take further and detailed steps for the erection of a suitable building of their own. Other matters discussed were purely of a private nature concerning the administration of the society.

There was no halibut sold at the Fish Exchange today.

All Eye Pains Mean Something

But what it is can only be revealed by a careful examination by a competent optician.

We examine eyes carefully—and fit glasses accurately.

Let us test your eyes, there may be nothing at all wrong with them, but it would be a good thing to KNOW that. It will take but a few minutes to find out.
