

"The Regent"

This is a splendid instrument both from the standpoint of Tone Reproduction and Good Appearance. It is equipped with a universal tone arm that plays all makes of records, and also a wooden tone chamber. Being a cabinet instrument, it has a place for keeping the records. It is sold at a moderate price. We have no hesitation in saying it is the best moderately-priced phonograph on the market—really unusual value for the money.

From the Finest Dairy Cows

St. Charles Milk comes from the finest dairy cows, milk that is selected wisely and carefully.

It is right before it goes into the can, that is why it is right afterwards in your home.

It is pure, rich, country milk from which most of the natural moisture has been removed—and nothing added.

Milk of double richness—sterilized to ensure its purity—milk in its most convenient household form for every cooking and table use.

It has been evaporated to the consistency of cream—that is why you must add an equal part of water if you desire to use it as ordinary milk.

On cereals, fruits, puddings, etc., use St. Charles as it comes to you. Use it for all milk and cream cookery.

It is the finest FRESH milk obtainable.

At your grocer's in "a size for every need". Let him send you a few tins to-day.

APPLE FRITTERS—Beat two eggs together until light; add one-fourth cup St. Charles Milk, three-fourths cup water, pinch of salt, one cup flour, or enough to make a thin batter that will pour from spoon. Add one teaspoonful baking powder, beat until smooth. Chop two or three sweet apples fine, mix with the batter, fry in hot lard. Drain and sprinkle with powdered sugar.

FARRIS JOINS FIRM VANCOUVER LAWYERS

VANCOUVER, Feb. 9.—Hon. J. W. deB. Farris, K.C., has got back into private practice and opened new offices on the fourteenth floor of the Standard Bank Building.

"It's just plain Mr. Farris now without the 'honorable' tagged on, if you please," said Mr. Farris. "I'm very glad to be back again in private practice."

A sign on the door announces that the name of Mr. Farris' firm is now Farris, Farris, Emerson, Stultz and Sloan.

The second Farris is Wendell B. Farris who was made a King's Counsel last week and who is a brother of the former attorney general.

The Sloan in the firm is Gordon Sloan, son of the Hon. William Sloan, Minister of Mines in the British Columbia Government. Mr. Sloan studied law in Victoria with Elliott, MacLean & Shandley. He was called to the bar last year and went to Vancouver to practice.
