LOCAL GIRLS WIN CONTEST

**Miss Thelma Knight Gets \$500
Piano—Phonograph For Lucky
Ticket to Telkwa Man**

The announcement of winners in the Exhibition popularity contest and the drawing for the phonograph prize attracted a good crowd of people to the Exhibition Hall on Saturday night. As had been generally expected the first prize went to Miss Thelma Knight of this city. Her total far exceeded that of the contestants who followed her in the contest.

The list of winners, together with the prizes they receive and their final totals was as follows:

Miss Thelma Knight, Prince Rupert, Ennis Boudoir piano, value \$500, 19,910,000 votes.

Miss Rose Moffatt, Anyox, Singer sewing machine, valued at \$90, 6,735,000 votes.

Mrs. B. McDaniel, Prince Rupert, silver tea set and tray, value \$45, 670,000 votes.

Miss Grace Green, Anyox, set of silverware and chest, value \$45, 2,927,000 votes.

Mrs. B. McEvoy, Prince Rupert, French ivory toilet set value \$45, 592,000 votes.

Mrs. R. W. Grieve, Prince Rupert, silver tea set and tray, value \$45, 670,000 votes.

Miss Nora Wood Massett, gold Waltham watch, value \$35, 547,000 votes. Miss Wood also receives the \$150 Brunswick phonograph going to the candidate with the highest number of votes outside of Prince Rupert and Anyox.

Miss Jessie Wattie, Hazelton, gold handle silk umbrella valued at \$30, 206,000 votes.

Miss Gertrude Owen, Francois Lake, ebony toilet set valued at \$25, 138,000 votes.

Miss Onolee Grieg, Terrace, cut glass vase valued at \$15, 104,000 votes.

The figures in the contest were audited by Thomas McGlynn, Col. S. P. McMordie, and Ernest Unwin.

Drawings Take Place

Following the announcement of the contest winners, W. E. Fisher, Ald. W. H. Montgomery and W. D. Vance were called to the stage to scrutinize the drawings over which President F. G. Dawson and Manager Jack Venables presided. Dr. Sparrow, one of the visiting judges, pulled the winning ticket, 732, for the \$150 Brunswick phonograph. This ticket is held by Mr. Goodacre of Telkwa. Second choice numbers were 861 and 478.

The drawings for raffles held at the Daughters of the Empire tea rooms also took place at this time, the winners and donors being as follows:

Half ton Yellowhead coal, donated by Peter Black, won by Mrs. Roberson.

Half ton of Ladysmith coal, donated by Peter Black, won by J. W. McAulay.

Sack of Robin Hood flour, donated by W. F. Roberge, won by J. W. McAulay.

PRIDE OF JAPAN WINS SPEED BOAT RACE ON SATURDAY

The Pride of Japan, operated by Bill Smith and Jack Swanson, won the speed boat race on Saturday evening and the silver cup presented by Mrs. H. S. Munro, of Anyox. The only other contestant was George Frizzell's Miss Rupert II, the defeat of which was due to engine trouble.

Both boats had engine trouble and neither got away from start to finish without stopping. The Miss Rupert II got a good start when the Pride of Japan could not get going and was a couple of laps ahead before the opponent got under way. The tables were turned, however, when the Miss Rupert broke down and failed to resume while the Pride of Japan overtook her and was the only boat to cross the finishing line. Kenny Road operated the Miss Rupert.

The race was four times over a two miles square course. The Miss Rupert did the course once in four minutes and the Pride of Japan once in five minutes.

R. E. Benson and George Frizzell were the starters of the race.

Editor Daily News:—

I note in your paper of the 12th, that Wireless sets are not giving good service. If it is of any service to the amateurs who are not getting satisfaction out of their sets, it might encourage them to know that broadcasting can be received in this part of B. C. My set is partly of my own get up and I use standard book sets. Monday night I heard Sacramento, Cal. broadcasting music and speech very clear, call letters (KFCJ). Tuesday night I heard KYG, Portland, Oregon very clear and loud so clear that I gave part of the concert to one of our neighbors over the town telephone. Last night I got KYG Portland, KFC, Seattle, KPR, Seattle and KBZZ, Everett, all very clear.

My antenna is 60 ft. high and 90 ft. flat top. I use Honeycomb coils for tuning, and 3 stages of audio frequency amplifiers. I might state also that I get the music very well on a detector and one stage amplifier.

**WANT MORE WOMEN
BRITISH PARLIAMENT**

LONDON, Sept. 18. — The women of England are preparing an intensive campaign with a view to securing more women members of Parliament. They are quite satisfied with Lady Astor and Mrs. Wintlingham, but they want more women in the House of Commons to keep these two from feeling lonesome. They have now formed a committee to

embrace all parties—except the communist. They call it the Women's Election Committee. They are raising a central fund, too, to help women candidates. Any one who sends along more than a pound can have it earmarked for the support of a candidate for any particular party.

The Duchess of Atholl has her eye on a seat and although her aristocratic friends are trying to dissuade her from engaging in an electoral contest, it is understood she is preparing to stand for the parliamentary vacancy that will occur if the expected promotion of the Lord Advocate to the Scottish Bench takes place.
