BRINGING UP FATHER

By George McManus

MASONIC PARTY DUE TOMORROW AT 10 O'CLOCK

The C. P. R. Steamer Princess Charlotte, Captain W. J. Boyce, is due here tomorrow morning at 10 o'clock (city time) with the 300 or more Masons coming from Vancouver, Victoria and other southern points for the fifty-first annual communication of the Grand Lodge of Masons of British Columbia.

The vessel left Vancouver at 11 o'clock last evening will all accommodation filled. A stop will be made this evening from 7 to 8 o'clock at Ocean Falls where further visitors from that point as well as C. H. Orme, district deputy grand master, who went south on Sunday night to meet the excursionists, will be picked up.

The Charlotte will arrive with her passengers in time to allow the members of the Grand Chapter to take part in the annual communication of the Grand Chapter which will commence first thing tomorrow morning. The Grand Chapter fish banquet, tendered to the visiting Chapter members by the local chapter, will also be a part of tomorrow's proceedings. The day will be wound up with the Grand Masonic Ball at the Auditorium in the evening given by Tyee and Tsimpsean Lodges.

Thursday's Proceedings.

The Grand Lodge communication will start on Thursday morning and will continue into Friday. On Thursday night will be the Masonic banquet in the Auditorium where Tyee and Tsimpean lodges will again be hosts to the visitors.

At midnight on Friday night the Princess Charlotte will leave for the south on the return voyage. The steamer will again call at Ocean Falls at noon on Saturday when two hours will be allowed for the excursionists to inspect the plant of the Pacific Mills. The vessel is due back in Vancouver on Sunday at noon.

Matthew Alexander Haslett, of Ocean Falls, has been appointed a justice of the peace, according to announcement made in the B. C. Gazette this week.

COULDN'T DO HOUSEWORK HEART WAS SO BAD

Many women get weak and run down and unable to look after their household duties owing to the heart action becoming impaired or the nervous system unstrung.

Nature intended women to be strong, healthy and happy instead of sick and wretched. But how can a woman be strong and healthy when day in and day out she has to go through the same routine of work, sweeping, dusting, cooking, washing, etc.? Is it any wonder that the heart becomes affected and she gets irritable and nervous, has hot flushes, faint and dizzy spells, smothering and sinking spells and can't sleep at night?

To all women whose heart is weak and whose nerves are unstrung we would recommend

MILBURN'S
HEART AND NERVE PILLS

as the best remedy to tone up the system and strengthen the weakened organs.

Mrs. Daniel Bezanson, Loganville, N. S., writes:—"As I was troubled with a weak heart for nearly two years I am writing to tell you what your great remedy, Milburn's Heart and Nerve Pills, has done for me.

My heart was so bad at night I could not sleep, I would take smothering spells, and was so weak I could not do my housework. I tried two doctors, but got no results. A friend advised me to try your pills. I used six boxes and am completely relieved. I think they are the best remedy for heart trouble there is."

Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

NEW GRADING PLAN ADOPTED

Streets in Northwest Portion of Section 5 to Be Graded at Cost of $36,000.

The city council last night adopted a report of the Board of Works recommending that Fourth Avenue West between Agnew Place and Dunsmuir Street, Fifth Avenue West between Agnew Place and McBride Street, Agnew Place from Fourth to Fifth Avenues and Dunsmuir Street from Fourth to Fifth Avenue be graded and surfaced with local crushed rock at a total cost of $36,000. The graded streets will also have 6 foot sidewalks on one side, and the entire work is to be done under local improvement. Endorsation of the plan was moved by Ald. Perry and seconded by Ald. McLeod. The city engineer was instructed to take the necessary steps to get the work started and the matter of financing was referred to the finance committee.

The lifetime of the grading will be 30 years and the cost will be $6.16620 per front foot abutting, to be paid for in 30 annual instalments. The sidewalks will have a lifetime of 5 years, will cost $5,000 and will be paid for in five years.

Ald. Collart insisted that lots on Fourth Avenue east of Dunsmuir Street should be given access also and it was decided, after some discussion, to have the city engineer bring in an estimate for the cost of a 16 foot plank roadway to connect Dunsmuir Street with the blind lane east of it. The city engineer reported that grading here would not be an economical measure for there was a grade of 11 per cent.

EXPECT TO FIND OIL IN KISPIOX VALLEY

Editor of Omineca Herald Says Matter Is Being Taken Up By Outside Interests.

C. H. Sawle, proprietor of the Omineca Herald, who was in the city yesterday was enthusiastic over the oil prospects in the Kispiox valley. He says that J. J. Lynch, Dominion geologist, who went through the valley just before the war on his way to the Ground Hog country, made a rough report which was very favorable to the country from the oil producers' point of view.

Mr. Sawle says cretaceous fossils are found throughout the valley and that is one of the best oil indications. The formation indicates the existence of oil and as a result of recent explorations and movements eastern and southern pople are being interested in the field. A Dominion geologist is expected this summer to make a further surface examination.

Mr. Sawle says there will be more land available for small holdings there this year. Part of the townsites which have been held out of use will be marketed and this will make for better conditions in New Hazelton. The difficulty in the past has been that practically all the land was either surveyed into city lots or held out of use awaiting developments.

CITY SOLICITOR TO PREPARE FOR SCHOOL INQUIRY

On request of the school board, the city council last night instructed the city solicitor to advise the board as to the procedure to be taken with a view to having a public inquiry into the Booth Memorial school affair so that the public might be satisfied and the blame placed where it belongs. The action was taken after a letter from the School Board with this end in view had been read.

Ten Years Ago in Prince Rupert

June 20, 1912.

L. W. Patmore, acting on behalf of certain property holders, has written to the city council announcing that application will be made to have the money by-laws, which were recently passed by narrow margins at a plebiscite, quashed.

The Ketchikan baseball club has written to Prince Rupert asking for a series of games to be played here on July 1 and there on July 4. The offer will have to be turned down since Prince Rupert has not a suitable ball park. The offer of Hazelton to guarantee expenses for a trip there with games on June 30 and July 1 has been accepted.

O. B. Bush, managing director of the Salmon River Bear Mining Co., returned yesterday from Stewart. He says the future of the Portland Canal district from a mining standpoint is assured.

THREE BOATLOADS OF LIQUOR SEIZED LAST WEEK AT KETCHIKAN

Men in Jail and Booze in Bank—Prohibition Officers Active in Northern Town

KETCHIKAN, June 20. — Five men, Peter Newman, Mike Halvorson, Peter Olson, Alfred Nelson and Charles Pratt were arrested and three boats were seized by prohibition officers last week. The three boats were loaded and were manned by the five men, four of whom are now in the federal jail awaiting trial under the Alaskan prohibition laws. Newman was discharged at his preliminary trial due to lack of evidence. The liquor is at present stored in the safety deposit vaults of the Miners' and Merchants' Bank.

NURSES ADVISE

Zam-Buk, because they have proved that it does what is claimed for it.

Miss E. L. Doxey, graduate nurse, of 3220 Michigan Ave., Chicago, says: "I have a patient who suffered terribly with piles. Zam-Buk is the only remedy that gave her relief.

"I have used Zam-Buk myself for the same ailment, also for sores and burns, and have the greatest confidence in it."

BUILDING COMMISSION IS RECOMMENDED BY CIVIC BOARD OF WORRS

In compliance with the requirements of the Building Bylaw, the city council last night received a report from the Board of Works recommending the appointment of a commission to supervise the observing of the bylaws both as regards present buildings and new ones which may be built. The report, which is an outcome of the recent visit here of the provincial fire marshal and the subsequent reports of the fire chief and the building inspector, recommends changes in present building and closer observance in future of the requirements of the bylaws. It was tabled for a week.
