Fifteen Little Girls Will Get Beautiful Christmas Presents in Ormes Drug Store Doll Contest

Little girls are already looking longingly into the window of Ormes Drug Store where 15 beautiful dolls, one doll's trunk and three doll carriages are on display. The dolls, the trunk and carriages are the prizes to be given away in connection with a contest commencing next week-end and carrying on until Christmas Eve. The awards will be made Christmas morning at 10 o'clock.

The dolls are most attractive and the carriages just the kind that little girls like. They are valued at from \$1.25 up to \$16.50 each and are to be given away. For each cent spent at the store between November 19 and the evening of December 24 each customer gets one vote. One hundred votes for a dollar. These votes can be given to any little girl under 12 years of age and the girls getting most votes will get the prizes, one for each. The purchaser of the goods writes on the ballot the name of the girl he or she wishes to vote for.

Nominations commence Monday morning, November 14, and each girl nominated gets 100 votes with nomination papers. Any girl in the city under 12 years of age may be nominated.

Of course every little girl in the city will want a doll or a carriage. She has a chance of getting one of these if she is not over 12 years of age and if she can induce enough people to vote for her. She must not canvas for votes in the store but may do so anywhere else. Ballot blanks must not be taken from the store and every ballot must be stamped by the proprietor or one of his assistants. No ballot may be placed in the box before November 19 or after 10 o'clock Christmas Eve. Ballots will be given out only at

time of sale of the goods. Any ballots showing any trace of change in the number of votes marked will be destroyed and cannot be counted. In the event of a tie for any prize offered, a prize identical with that tied for will be awarded to each tyer contestant.

The great thing about this contest is to start early. Any little girl in the city has a chance to win. The thing for her to do is to interest friends in the contest and get them to write her name on the ballot papers when they buy anything in the store. One dollar spent in the store entitles the purchaser to one hundred votes. Remember, the contest starts next Saturday and continues until 10 o'clock Christmas Eve.

A SATURDAY SERMON

All Alone

(By Capt. Ruby Steele, Salvation Army)

Isaiah 63:3: "I have trodden the winepress alone." There are persons who can achieve great victories when they have plenty of helpers on their side but such persons are seldom known to go into darkness or on to the battlefield or face great difficulties single-handed and alone. They prefer being with and in the crowd. In Isaiah 63, we read of one coming from Bozrah

"with dyed garments" travelling in the "greatness of His strength" and being "mighty to save." We see at once the Prince of Life and Glory coming with all speed from heaven above to earth beneath to seek and save the lost. And then as we read: "I have trodden the winepress alone" and we see from Revelations that the "winepress" is the "Wrath of God." We remember now, in all the battles for our redemption our glorious Redeemer was alone. In the wilderness with the enemy he was alone. In the garden He left the Disciples and went "a little farther" so as to be alone. Before Pilate's bar He stood alone. And on the Cross though between two thieves He was, strictly speaking, alone. For our sakes He trod the "winepress" alone and at one point his loneliness was so terrible that He cried out: "My God, My God, why hast thou forsaken me?" But never for one moment did he give up the contest until the victory was complete. And now to every sinner everywhere, we are authorized to say: "Behold the lamb of God which taketh away the sin of the world" for He and He alone is the one who is mighty to save.

On Christ in Thee my soul has found, And found in Thee alone, The peace, the joy, I sought so long, The bliss till now unknown.

Pains Around Her Heart Tired Out After Doing Housework

Mrs. Henry Ranch, Muriel Lake, Alta., writes:—"Last fall I had bad pains around my heart, and each morning, after doing a little housework, I seemed to get dizzy and feel all tired out."

Seeing that Milburn's Heart and Nerve Pills were good for these troubles I sent for a box, and after taking the Pills for a few days I felt a whole lot better. Since then I have had no return of the dizzy spells and pains around the heart."

10 NEW TYPE TUBES.

give purer tone quality

Believe your Own Ears

IMPORTANT improvements in General Electric Radios include G-E Radiotrons of an entirely new design. The result is greater fidelity of tone—greater efficiency—quieter operation and reduced power consumption.

Ten of these new tubes combine with other G-E engineering advances to make Model J-107 outstanding.

New "Twin-Push" Amplification gives a remarkable increase in eliminating the "blurring" so common when exclamations or musical crescendos are received.

New G-E Tone Equalizer and Acoustic Orifices eliminate cabinet "boom." New Improved Automatic Volume Control, Tone Control, Noise Suppressor and other up-to-the-minute features all contribute to exceptional tone and performance.

Time and again General Electric Radios have been victorious when pitted against other popular makes in tone tests. So we urge you to go to the nearest General Electric Radio dealer and "believe your own ears."
