Sir Thomas Lipton, the famous yachtsman and tea king, says he is going to have another try for America's cup in the international yachting race. Sir Thomas, in sailing from New York for England the other day, said he would be back again in 1924 but that he has not decided yet on the type of challenger which he will race.

Four hundred and thirty-six teams operated under the Toronto Amateur Hockey Association last year comprising six thousand players, it was announced recently at the annual meeting of the association.

Battle Snooker is the latest game they are playing in Winnipeg just now. Three men constitute a team and each player takes a different colored ball which he plays after getting a red and after getting it can play with his partner's color. Points for wins are recorded by means of the letters of the names of the ball.

The life of the Dominion Football Association has been a very stormy one for some time past. First there was the dispute regarding the money to pay to the Scottish International players who toured Canada some time ago. Now David Roy, secretary-treasurer of the association for the past two years has been arrested on the charge of theft of \$4,000 from the Association's funds. John Easton, president of the D.F.A., swore the information at Winnipeg.

Joe Anderson recently won the Australian Lawn Tennis championship by defeating Gerald

Patterson in a five-set match in the finals by 6-0, 3-6, 6-3, 6-2. Patterson and J. B. Hawkes won the doubles and Hawkes and Miss Boyd, the mixed doubles.

Tommy Gibbons is now in line for a scrap with Jack Dempsey for the world's heavyweight title. This right he gained last week when he scored an easy win over Bill Miske in their ten-round fracas. The eight thousand fans who witnessed the pummeling went away firmly convinced that Gibbons could give Dempsey a hard run for his money.

It is however very doubtful if Tommy would last very long with Dempsey owing to their sizes for the present champion is much bigger than Gibbons and would have many other advantages over him.

Ed "Strangler" Lewis retained his title in the bout with Stanislaus Zbyszko in the wrestling world and is still the king-pin or "rassler." Every once in a while these two men change their title but "Biscuits" does not seem to be able to hold the belt very long.

As a result of Lewis' win last week he has a right to permanent possession of the Rickard belt, having won it three times. Lewis has defeated all comers from the Terrible Turk down to Zbyszko. There is one man that he has left severely alone and that is Marin Plestina who appeared on the coast some time ago and has never been beaten. Many charges have been laid by Plestina's manager that Lewis is in the ring and is afraid to meet his protegee but nothing has ever come of it.

SUCCESSFUL TEA AND SALE HOME COOKING

Held Saturday Afternoon by Ladies' Auxiliary of St. Andrew's Society

The tea and sale of home-cooking on Saturday afternoon under the auspices of the Ladies' Auxiliary of St. Andrew's Society proved a good success, over \$100 having been realized in the three hours between 3 and 6 that the affair was in progress. It was well patronized and there were many interesting features besides the usual quota of useful and ornamental articles offered for sale.

Mrs. K. Birnie, president of the Auxiliary, was in general charge and ladies of the society as a whole gave their services generously.

Those in charge of the various departments were as follows: Raffles—Mrs. William Reid (convenor) and Mrs. Sandison. Tea tables—Mrs. R. Dowther (convenor) assisted by Mrs. Harry Foote and Miss Demis. Home Cooking—Mrs. James Simpson and Mrs. Howard Steen. Candy—Mrs. William Miller assisted by Mrs. R. Dalgarno and Mrs. D. G. Stuart. The fortune telling feature conducted by Mrs. James Clarke was also well patronized. Mrs. McKechnie was cashier.

FINE NEW MAP OF PROVINCE

Has Just Been Issued by Department of Lands—This Part of Province Featured

A new map of British Columbia, said to be the best and most detailed ever produced, has just been issued by the department of lands at Victoria, presided over by Hon. T. D. Pattullo.

The map, which measures 37 by 28 inches, has a generous and compact scale and is in three colors—black, blue and red—showing roads and trails, outlining land district boundaries, the mountain names and other particular features. It also shows the different districts into which the province has been divided for administrative purposes such as land recording divisions, mining divisions, provincial electoral divisions, Dominion electoral divisions, assessment divisions, land registry district and counties. Precipitation throughout the province is also shown. A new departure has also been taken in the provision of carefully selected geographical information. There are also a great many valuable distance tables.

The map will be particularly interesting and valuable to this portion of the country for it shows almost a continuous line of names of post-offices and railway stations along the line of the Canadian National Railway between here and the Alberta boundary and also south of Prince George. In this respect it is infinitely more complete than any former map issued of the province.
