ACID STOMACH

If rich foods disagree, it need not mean a "weak stomach." Sourness and gas doesn't mean "indigestion." Just take an anti-acid to sweeten the system, and enjoy life! Before meals, or afterward when distress is felt. Do this awhile, and stomach and bowels will be in fine order. Use only genuine Phillips' Milk of Magnesia; it is standard. The other preparations do not have the same anti-acid action.

ALSO IN TABLET FORM: Phillips' Milk of Magnesia Tablets are now on sale at drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of genuine Phillips' Milk of Magnesia.
