BIG CROWD OUT TO SEE MARY PICKFORD

Her Little Lord Fauntleroy Was Excellent and Pleasing Audience Much.

The opening night for Mary Pickford in "Little Lord Fauntleroy" found the Westholme Theatre crowded to the doors and there is every expectation that it will be well filled again to-night. In fact patrons who wish good seats should be there at the early opening, before seven, seven.

In the lexicon of praise there are no words comprehensive enough to set forth the glory of this wonder play. Never in her career of superb work has Mary Pickford done anything approaching her artistry in this production. The closest she ever came to it was in that masterpiece, "Stella Maris," in which as in "Fauntleroy" she played a dual role.

Miss Pickford's presentation of the two characters, Dearest, the mother and Cedric Errol who later becomes Lord Fauntleroy, sets a new mark for this cinematic. Unquestionably this picture pushes the film industry ahead many leagues. In fact, a new goal has been set for all other producers to strive for.

The story of "Little Lord Fauntleroy" is too well known to be repeated here. Suffice it to say that the Pickford adaptation adheres very closely to the Burnett plot, with the result that none who have read the book will take offense at the play. What is more, Mary Pickford is a decidedly boyish Fauntleroy, curls and all. One actually forgets she is a girl. She proves herself a consummate artist by her splendid interpretation of the role. And her work as Dearest, a superb feminine role, when compared with the boy part, represents the greatest contrast ever pictured for the screen.

DO YOU SMOKE TOO MUCH

There are many men on whose heart and nervous system tobacco produces the most serious results. It causes palpitation, pain in the heart, irregularity of its beat, makes the hands tremble, sets the nerves on edge, causes shortness of breath and loss of sleep.

To counteract this demoralizing influence on the heart and nerves there is no remedy so equal.

MILBURN'S HEART AND NERVE PILLS

They make the heart beat strong and steady, restore tone and vigor to the nerves, and remove all the evil results caused by the tobacco.

Mr. Frank Lutes, 71 Terrace Hill St., Brantford, Ont., writes: "I had been troubled with palpitation of the heart for a number of years, and by spells it would bother me a lot. The doctor told me it would stop on me some time if I did not quit tobacco. When I would get a spell my heart would pound, and I would break out in a perspiration, and get so weak I would have to sit right down and quit my work; also in the night I would wake up and my heart would be going. I should say, about 120 beats a minute. About three years ago I got a box of Milburn's Heart and Nerve Pills, took them, and found that they did the job. I am feeling fine and have gained over 20 pounds in weight."

Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Sport Chat

Definite arrangements for the playing of a basketball series by the locals with Anxox basketballers next week have not yet been completed and the local management is now awaiting further word from the smelter town before going on with the matter. It has been suggested that Prince Rupert go North on Wednesday night for two games at Anxox but that the return match here be deferred until May 24 and played in connection with the Elks' carnival. The one stumbling block that would come in the way of this arrangement would be the sending of a special boat back from Anxox on Friday with the local players which would be necessary so they would not have to wait until the Tuesday steamer. Whether this can be done remains to be seen. The following players will likely be the ones selected for the trip: C. C. Clementson, A. A. Easson, H. Menzies, Eric Mackintosh, W. G. Anderson and E. Smith.

The annual meeting of the Prince George Athletic Association took place last week. It was decided to ask the city council for a lease on a portion of Duchess Park and if this is secured a recreation ground will be fenced in for the staging of the various games. A committee to look after this work was selected as follows: J. C. Pidgeon, D. G. Tate and Ken McKay. An admission system this season will be strictly lived up to if the fence is built. Committee chairmen for the various lines of sport were chosen as follows: Baseball, J. C. Pidgeon; football, George Sutherland; grounds, Alex. Wimbles; entertainment, Marshall Sales; boxing, Herbert Porter; publicity, Harry Guest; racing, Robert Garvey; Marshall Sales, secretary of the association, submitted his resignation but it was laid over until next meeting.
