UNABLE TO WALK FOR A YEAR

Paralysis Entirely Relieved by "Fruit-a-lives"

The Wonderful Fruit Medicine

Paralysis is a break-down of the Nervous System and affects the victim in various ways. Sometimes, nervousness makes itself known by hysteria, insomnia, constant headaches, or it may be so bad that one is partially or completely helpless in some part of the body, just as Mrs. Heacock was.

SACILY STE MARIE, ONT.

"When I was twenty-eight years of age, my doctor advised me to have an operation, which I did and it proved very serious, leaving me weak and unable to walk for a year. Seeing your 'Fruit-a-lives' advertised in the papers, I decided to try them. I continued to use them regularly and today I am able to go about my home duties and care for my family."

MRS. J. W. HEACOCK.

Any form of Nervousness is often caused by, and is always aggravated by, Constipation, which poisons the blood, irritates the kidneys and inflames the nerves. "Fruit-a-lives" stimulates the action of liver and bowels, kidneys and skin—tones and sweetens the stomach—keeps the blood pure, and builds up the entire nervous system.

In a word, "Fruit-a-lives" has proved that it is the most scientific and effective remedy in the world for Nervousness or a disordered condition of the nervous system.

The following persons took passage from here for the north on the Princess Louise this morning: D. O'Rourke, for White Horse, and E. M. Angell and Miss L. Edmundson, for Skagway.

Hon. W. R. Motherwell, federal minister of agriculture, will arrive in the city tomorrow on the steamer Prince Rupert. The minister is accompanied by Mrs. Motherwell, Miss Motherwell and Miss Cunningham, secretary. There will be a Board of Trade luncheon at 1 o'clock in honor of Mr. Motherwell.

Capt. C. D. Neurowtsos, of Victoria, marine superintendent of the C. P. R. Coast Steamship Service, was a passenger through the city bound north on the Princess Louise today. Capt. Neurowtsos, on leaving here, was undecided whether he should continue the trip north on the Louise or transfer to the Princess Alice at Ketchikan tonight.

A TALE OF SUFFERING FROM RUSSIAN DOCTOR LIVING MOSCOW CITY

Life of Beasts Declares Eminent Physician—Change of Ideals.

LONDON, July 27.—Pathetic letters are received here every day from prominent Russians in Moscow and other large Soviet centers depicting the plight of the population under the present regime. Writing to one of the London newspapers Professor Christevitch, an eminent physician, says that everyone is anxious to come to Europe or America to see how human beings live.

"We are living a life of beasts," says the latter, "and we think only of wood and food. We are cut off from all civilized life and sympathizing people. You cannot, perhaps, understand how heavy life is without intellectual impressions, without books and newspapers and friendly conversations.

Hardened by Suffering.

"Our hearts are so hardened by sufferings and losses that deaths of friends and relations make no more impression upon us than trivial events. Nevertheless we continue to hope to be human beings again. In the old Czarist days my wife and I longed for political freedom. Today my wife's ideal is to have a pair of stockings at 2,000,000 rubles a pair.

"We are all alive. That is the principal thing these days. We sold all our things in the hope to buy new ones when we moved from Kazan to Petrograd, but we ate all our money. We are very rich now in Russia, but only in numerals. You see that the stamp upon this letter cost 100,000 rubles. A loaf of bread costs three times that.

"We live, and we are satisfied that we live, and that the winter has passed. I fear to give you all the news for it is such a long list of dead from maladies and ruin."
