HEART PALPITATED and Was Short of Breath

Through one cause or another a large majority of people are troubled, more or less, with some form of heart trouble.

Many people may be unaware of having anything wrong with their heart till some little excitement, over-work or worry starts it to palpitate and throb, skip beats, beat fast for a time and then so slow as to seem almost to stop, then it causes great anxiety and alarm.

To all such sufferers

Milburn's Heart and Nerve Pills

will give prompt and permanent relief. Mrs. Alice Bishop, 15 Hawthorne Ave., Hamilton, Ont., writes:—"I take pleasure in recommending Milburn's Heart and Nerve Pills to all persons troubled as I had been."

"I suffered from palpitation of the heart and shortness of breath, my heart would skip beats, and in the night, at times, I would have to sit up to get my breath. I could not go up stairs without my heart fluttering, and my nerves were all unstrung, but since using your famous Pills I have felt like a different person."
