WELCOME GIVEN TO FRED STORK

Address Read at Gathering at Skidegate Last Week to Local Member

CONCERT AND DANCE

All Countryside Was Gathered to Take Part in Festivities Last Week

A most enjoyable concert and dance was held at Skidegate village on the evening of the 12th instant, for the purpose of raising funds to assist in the building of a day school at Skidegate, and financially and otherwise, the evening was a huge success.

The date arranged for the concert and dance, coincided with the visit of Fred Stork, M.P., the representative for this constituency in the Federal House.

The Hall at Skidegate in which the concert was held, was crowded to the doors, and even standing room was at a premium. People had gathered from all over the district, from Sandspit, Milford Bay, Queen Charlotte City, and the surrounding districts as far as Tl-e-l River, a distance of some 35 miles up the coast. As this was the first occasion on which a Federal member had visited the locality, the presence of Mr. Stork at the gathering was warmly appreciated.

Mr. Stork's Address
Mr. Stork gave a short address in which he pointed out the efforts that the Government were making for a return to normal conditions, and voiced the hope that the appointment of a western man on the board of directors of the Canadian National Railways would have the effect of obtaining for British Columbia more equal privileges in transportation with other districts of Canada. Such conditions, Mr. Stork explained, would undoubtedly bring to the province lasting and beneficial results. With the return of freight rates to normal, the lumber industry of the Queen Charlotte Islands would again be in full activity, bringing prosperity to the islands, and business to transportation companies and other industries, as the vast timber wealth of these islands was of the greatest importance. In referring to local improvements the member stated that necessary wharves would be provided as soon as financial conditions would permit.

Address to Member
During the evening the member was presented with an address of welcome by the residents of the Queen Charlotte Islands. The address read as follows:

Worthy Sir:—
It is with no little pleasure that we tender you this slight expression of a hearty welcome amongst the several communities of Southern Graham Island.

We are met together this evening in connection with a local effort aiming to acquire financial assistance towards a day school at Skidegate, and we feel highly honored, Sir, in having you with us as duly elected member of the Federal Parliament.

Irrespective of all political bias, we are assured that you are well qualified to handle that important phase of public and national work entrusted to your care.

Claims of Islands
It has not been our privilege of late to welcome to our Islands royalty or the ambassadors of

CONGREGATION HEARS EMINENT VIOLINIST

Count Scheda Gave Two Instrumental Solos in Methodist Church Last Night

At the service held in the Methodist Church last night Count Scheda, the eminent violinist, on the request of several of his admirers, rendered two violin solos. The first entitled "Palestrina," and the second, a combination of old time sacred melodies entitled "The Cry to Heaven for Peace." Both the solos were much appreciated by the large congregation present.

A. Clapperton also rendered a vocal solo entitled, "O! Rest in The Lord" which delighted his listeners.

LOCAL HUNTERS GET NO DEER BUT BAG A FEW GROUSE AND DUCKS

Three brace of grouse and fourteen ducks fell to the guns of Douglas Stork, Morris Pringle, single political party, and we look today to our political leaders to deal with the issues that they may be neither side-tracked or sacrificed for either party on private interests.
