VICTORIA HAS
SUNDAY LAWS

Mayor Marchant Closing Down
News Stands and Tobacco
Shops.

VICTORIA, Feb. 9.—A majority of the police commissioners have decided to close down everything in the way of trading on Sunday with the exception of drug stores and they will operate only for the sale of drugs. Mayor Marchant and Commissioner Stenland have taken a strong stand for a quiet Sunday and Commissioner Joe North is not saying anything although it is known he is opposed to such stringent measures. The Police Board is meeting here today and will make its formal pronouncement but the closing up is assured as a majority of the board favor it. In his statement to the public Mayor Marchant said:

Mayor's Statement.

"I favor closing all establishments operating on Sunday with the exception of drug stores," the mayor stated. "In regard to drug stores it is our intention to hold a conference with their operators and endeavor to ascertain their views. We would allow them to sell drugs and medical necessities but nothing else. It is feared, however, that the drug stores might then all close up—refuse to stay open at all. As a matter of fact, though, one big store could supply all the city's Sunday needs as far as drugs and medical appliances are concerned."

No Force in Tourist Argument.
"The closing regulations would apply to all fruit stands, and news stands, I see no reason why they should stay open, no reason at all. It is argued that the closing will give the city an unenviable reputation in other places but I cannot see the force of the argument. It is also argued that we should keep these places open for the sake of tourists. With that contention I have little sympathy. I believe such arguments are greatly exaggerated and I don't think that the tourist trade requires these places to be open at all. There are just as many among the do not care about Sunday observed as there are those who do not care about Sunday observance. I don't think that the tourist argument amounts to much."

"I have some sympathy, however, with the argument that a number of men about the city have no place to go on a Sunday except around news stands. There is some force in that, I admit, but even at that there are plenty of hotel lobbies, and there is our public library in which they can go if they wish."

Ice Cream Not Food.
The mayor said that he would not attempt to interfere with the Sunday operation of restaurants in connection with drug stores. In these establishments it will be possible to serve ice cream also as part of meals, the mayor explained. Ice cream itself, he said was not regarded as food but, if other food was being served, serving of ice cream could not be stopped.

Photographers Protest.
The mayor explained that strong protest against the operation of drug stores on Sundays had been lodged by local photographers, who declared that the drug stores sold films and camera supplies on the Sabbath. The police board plans to stop the sale of these articles along with all other articles except drugs on Sundays.

WHIST LEAGUE GAME

Scandinavians Now Have Good
Hold on First Position in
Standing—Two More
Games to Play.

The Valhalla men whist players defeated the Knights of Columbus in last night's game by a score of 6 to 3. The game was of more than usual interest for both teams were on even footing at the head of the standing and, as a result of their victory, the Valhalla have won quite an advantage and are now in a fair way to winning the championship. Both teams have two games to play yet and the Valhalla will have to lose both to be in any danger of losing out.

The results of the other two games of the evening were as follows: St. Andrew's, 6; Knights of Pythias, 3; Sons of England, 5; Oddfellows, 4.

MOOSE LODGE GAVE
WHIST DRIVE AND
DANCE LAST NIGHT

The Moose Lodge gave an enjoyable whist drive and dance last evening in the Metropole Hall. There were 49 tables of cards and about 425 persons enjoyed the dancing.

The first prize winners were J. Gleeson and Mrs. C. Richards and the consolation awards went to D. J. Cook and Miss Gertrude Martin.

Arthur's Orchestra provided the music and Joe Slagard was master of ceremonies. The committee in charge comprised William Hayner, Percy Cameron, George Millick, Joe Slagard and Dave Graham. Delightful refreshments were served. Mrs. Foss and Mrs. Nation being in charge of that end.

A DIFFICULT COURSE.

An astronomer was entertaining a Scotch friend. He showed his visitor the moon through a telescope and asked him what he thought of the satellite. "It's a right," replied the Scot, who was an enthusiastic golfer, "but it's awfu' fu' o' bunkers."

Sport Chat

Lee Morrissey, of Idaho Falls, who won from Chet Neff on a foul at Algonzo, California, last week, was defeated by the latter boxer at Yuma, California, in a ten round bout on December 9, 1932, so the recent meeting was the second between the two men. The first battle was shortly after November 27 when Neff defeated Salier Friedman at San Diego in a four round go. Friedman has been travelling in high class company of late and has been making quite a name for himself along the big fights in the lightweight division. Neff whose movements are always interesting to his many local friends, is at the present time making his headquarters at Los Angeles. Writing to Roi Barnes he says he would be very glad to return to Prince Rupert if any meetings could be arranged for him here. Transportation difficulties, and the fact that this place is so far away from the big centres always makes it difficult, however, to arrange bouts here of the class which Neff would participate in.

A handicap billiard tournament in which any person may enter is being arranged at the Prince Rupert Pool Room and already a good many entries have been received. The first prize will be a hat and the second a pipe. As soon as all the entries are in the handicaps and the dates of the matches will be arranged. It will be an elimination contest.

The Intermediate Billiard League has now been organized and the first tournament is set down for next Monday night. There will be four teams, Barbers, Elks, Sons of Canada and Grotto. The first match will be between the Barbers and the Elks and the following will be the lineup for it: Roi Barnes (Barbers) vs. A. A. Easson (Elks); A. K. Nelson vs. M. M. McLachlan; J. Keefe vs. C. Elkins; B. Spencer vs. K. Reed; B. Morley vs. D. Bell; W. Burken vs. W. McLeod. The time-table for the first six games will be as follows:
February 13—Barbers vs. Elks.
February 20—Sons of Canada vs. Grotto.
February 27—Elks vs. Sons of Canada.
March 6—Grotto vs. Barbers.
March 13—Sons of Canada vs. Barbers.
March 20—Elks vs. Grotto.

SEATTLE, Feb. 9.—The Metropolitans of this city evolved an unbeatable combination and defeated Vancouver Millionaires by a score of three to nothing in the hockey match here last night.
