Promotion Lists of Local Schools Showing Pupils in All Classes Throughout City

The following Promotion Lists show the classes in the various City Public Schools for the school year beginning September 5, 1922. Names of pupils do not appear in order of merit.

Before it was decided to promote or detain a child, the following were considered for each child:

- 1—The examination results of the three mid-term examinations.
- 2—The teacher's opinion of his or her ability to do the work in the higher grade.
- 3—The age of the pupil.
- 4—The results of the final examination.
- 5—The extent of improvement shown during the year or term.

The honor rolls for proficiency, attendance, and good conduct will be presented at opening exercises in the various schools.

Mr. Campbell, the supervising principal of the City Public School, desires to announce that he will be in his office at Borden Street School each afternoon for the ensuing week from three o'clock to five to discuss with parents any matter pertaining to the promotion lists.

Following are the lists:

prompted the murder. Billiard is known to have kept a considerable amount of money on his farm, which is located two miles from the village. Two years ago robbers entered his house and stole \$169. The buildings were ransacked following the murder.

Billiard was busy fixing a hayrack when shot. He was drilling a hole and leaning over an auger. Death was instantaneous. The bullet entered the lower section of the heart and came out through his side. The murdered man crumpled up and fell over the auger, dead. He was murdered about 5 o'clock in the afternoon.
