# Sunshine Days on your calendar

How many days in the month do you feel your best? Two or three? A dozen? You can add to the "sunshine days" by simply obeying nature's laws.

Avoid common constipation by eating a delicious cereal. Laboratory tests show Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to aid regularity. The "bulk" in ALL-BRAN is similar to that in leafy vegetables. In addition, ALL-BRAN contains twice as much blood-building iron as an equal weight of beef liver.

You will find it far more pleasant to enjoy a cereal than taking patent medicines. Much wiser too. Two tablespoonfuls of Kellogg's ALL-BRAN daily will overcome most types of constipation. If not relieved this way, see your doctor. In the red-andgreen package. At all grocers. Made by Kellogg in London, Ontario.

"When you're healthy, you're happy" "How you feel—and how well you look—depends largely upon the food you eat. Be sure your diet is balanced—with sufficient 'bulk' to promote regularity."
