MONEY INVESTED IN VICTORY BONDS can be made to earn larger interest by selling the bonds and investing in first mortgage on improved City property. And the mortgages are just as safe, although not so readily convertable into cash. Money invested in mortgages is, generally speaking, fixed for the term of the loans which run from 6 months to 5 years. Hence the larger rate of interest. Drop in and talk it over.

Do Your Bowels move regularly, or do they become constipated

There is no medium through which disease so often attacks the system as by allowing the bowels to become constipated, and there is no other trouble that flesh is heir to that is more liable to be neglected, because material inconvenience may not be felt, at once, from irregular action of the bowels. When there is not regular action the retention of the decayed and effete matter, with its poisonous gases, soon poisons the whole system by being absorbed into it, causing violent sick and bilious headaches, internal bleeding or protruding piles, heartburn, jaundice, etc.

MILBURN'S LAXA-LIVER PILLS

will regulate the flow of bile to act properly on the bowels, thus making them active and regular, and removing the constipation and all its allied troubles.

Mr. Samuel Buckler, Tatamagouche, N. S., writes:—"For over a year I suffered with constipation. I took several different kinds of medicine, but could only get temporary relief. I was told to try Milburn's Laxa-Liver Pills. I procured two vials of them, but after I had taken one I found that I was relieved of my trouble. I do not hesitate to recommend Laxa-Liver Pills for any kind of constipation."

Price, 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

PRACTICE FOOTBALL GAME LAST NIGHT

A practice football game between the Callies and the Grottos resulting in a 2-2 draw, was played on the Acropolis Hill grounds last night before a good crowd of spectators. The game was played for the purpose of trying out new men and getting the regular players warmed up for the season's encounters.

R. McIntosh, playing outside right for the Callies gave a good exhibition of ball kicking, his rushes down the touch line being to say the least, spectacular. Kinghorn took a turn in goal for the Callies and acquitted himself creditably. Kirby and Butters were the outstanding players for the Grottos.

FASCINATING STORY IN DE MILLE PICTURE WESTHOLME THEATRE

Charlie Chaplin Is Further Attraction to Splendid Week-End Bill.

A fascinating story of stage life is William de Mille's latest Paramount picture production, "After the Show," which opens at the Westholme Theatre tonight. Jack Holt, Lila Lee and Charles Ogle, the featured players appear to fine advantage in their respective roles.

Mr. Holt as a millionaire "angel" of a musical comedy of the chorus of which Lila Lee is a member, and Mr. Ogle as an old disappointed stage door keeper, contribute much to the enpoyabieness of the picture. There are many dramatic and pathetic scenes artistically portrayed, while the production as a whole is fully up to the high artistic de Mille standard. It rivets one's attention and is in every respect a production of the highest grade.

Charlie Chaplin's latest release "Pay Day" rounds off an altogether splendid week-end program.

The question for the advertiser to consider is how many people read the paper. You can't get results without circulation.

SMITHERS

Niss Margaret McAndrew and William Swift were married recently. They have taken up their residence on a ranch near town.

The town of Houston is making a bid for an experimental farm and a widely signed petition is to be sent to the government. The Houston site is generally favored by the communities throughout the Bulkley Valley.

J. E. Kirby has presented three lots to the Bulkley Valley Hospital Association as a permanent hospital site.

The Smithers branch of the Northern B. C. Regiment now boasts a membership of thirty. Major R. L. Gale of Smithers is officer commanding the unit and Capt. G. L. Murray of Telkwa is second in command. Rifles have been received.

Diamond drilling by the Yorkshire Guarantee & Trust Co., of Vancouver, is to commence early in June on the extensive coal holdings in the Copper River Country. Preparations are being made for a party of eight or ten men under K. S. Robinson to start work.

Miss Olive Tennant, of Vancouver, is spending a short holiday in Smithers, the guest of her sister, Mrs. Douglas Campbell.

R. J. McDonnell, Tommy Bailey and Johnny Salt were in Smithers last week enroute to the Cedar Creek gold diggings.
