

The OUTSTANDING FEATURE

That distinguishes the

Improved Remington Model 10a

from all other Type-writers is THE SELF STARTER, which adds 25 per cent. to the output of the machine, but adds nothing to the price. Simply press the key and the machine glides automatically into the desired place. Has the new Remington touch which adapts itself to either a light or a heavy hand.

On recommendation of the utilities committee, the city council last night decided to call for tenders for seven uniforms for the fire department.

A petition was received at last night's council meeting from George D. Tife and 18 others asking that the sidewalk between Fraser and Borden Streets be repaired. The petition was referred to the Board of Works. Ald. Kerr pointing out that the sidewalk in question was not on city property and the city had nothing to do with it.

Ald. Collart suggested at last night's council meeting that the use of the water wagon sprinkler on the streets was not economical and that more effect might be gained if the firemen used the hose for the purpose of laying the dust in warm weather. Ald. Kerr pointed out that the firemen would not be allowed to do this work, under the rulings of the fire underwriters.

The city council last night met with the request of the Sons of Canada that the Aeropolis Hill grounds be granted for the exclusive use in connection with the Dominion Day celebration on July 1. The proviso was made, on the suggestion of Ald. Kelly, that satisfactory arrangements be made with the Football Association for the playing of the Dominion Day cup finals.

VICTORIA POLICE COMMISSIONERS ARE APPEALING CASES

VICTORIA, June 6.—Police Commissioner Joe North and former commissioner Dr. Ernest Hall are appealing their cases before the court which opened in Victoria today, Chief Justice Macdonald presiding.

The appeals are from Mr. Justice Morrison and a special jury and the chief ground of appeal as set forth is that there was a miscarriage of law and justice, that the presiding judge was prejudiced and that the jury were a nullity and irregular, and that the Grand Jury list was improperly constituted.

The appeals follow the conviction of Dr. Hall and Mr. North on libel charges following speeches made by them at the last civic election.

THE OLD LAW OF SUPPLY AND DEMAND IN REGARD TO TEA

The supply of tea in the world today is very much less than the ever increasing demand. The recent reduction of fourpence per pound of the duty on tea entering England, which is by far the largest consuming country in the world, has had a decidedly stimulating effect upon consumption. It is expected that this further demand will force the price of tea still higher.
