

SUNDAY SCHOOL INDOOR PICNIC

Crowning of May Queen and
Other Pleasant Numbers Made
Methodist Affair Last Night
Great Success.

The indoor picnic held by the Methodist Sunday School last evening to celebrate the closing of the winter activities of the Sunday School and the Trail Rangers was a great success indeed. There were fully 100 boys and girls and grown-ups in attendance and special seating provision had to be made to accommodate all. The evening's entertainment consisted of a Junior concert in the course of which the pleasing ceremony of the crowning of the May Queen took place. Serving of refreshments in all in the social parlors and the gymnasium brought an evening of outstanding enjoyment to a close.

Following a piano solo by Miss A. Way, the first section of the program by the Primary Department of the Sunday School under the direction of Miss Way and Mrs. W. E. Williams commenced. The youngsters taking part in this appeared to splendid advantage reflecting credit on the training of Mrs. G. G. Perry who was also accompanist.

The ceremony of crowning Miss Ina Lundland Queen of the May then was carried out. E. Vilang was master of ceremonies, the flower girls were Miss Elaine Heilbroner, Miss Mary Evans, Miss Violet Green and Miss Peggy Steen, and the attendants, Miss Verna Thompson, Miss Ella Steen, Miss Betty Anderson and Miss Connie Morgan. All these young ladies were daintily dressed and the scene was a pretty one indeed.

The closing section of the program was by the Trail Ranger Boys, Mrs. E. Stockdale being in charge of the vocal training. The program was as follows:
Piano duet by Gordon Parkin and Clifford Cameron.
Song by the Trail Rangers ended with a comic song depicting the difficulties of soldiering life.

The ladies in charge were Mrs. A. J. Mallett, Mrs. George W. Kerr, Mrs. F. Dibb, Mrs. James Morrison and Mrs. Howard Steen.

Frank Derry, Sunday School superintendent, was chairman of the evening.

Sport Chat

If weather conditions tomorrow are in anyway suitable, local athletes and fans will likely take another try at putting the Aeropolis grounds in shape. The squad that was out last Sunday, though small, did good work. There should really be more present themselves tomorrow, however, for it is necessary if the opening games in the baseball and football leagues next week are to get a good start that the work be done and the field put in some kind of half decent and safe condition. Those who are interested in sport at all will have a good opportunity of giving a real demonstration tomorrow by turning out for duty.

Snooker players must be suffering with spring fever in Winnipeg. A number of great breaks have been made recently, the biggest one being by Val Cornfield, the flying Frenchman, who in a friendly game at the

FIRST SOCCER LAST EVENING

Sons of Canada Beat Sons of
England in Practice Game
2 to 1.

The Sons of England and Sons of Canada football teams last night met in a very spirited and clean practice game on the Aeropolis Hill grounds, the result being a 2-1 win for the Canucks.

The grounds were in very good shape considering all conditions but the weather clerk was not very indulgent during the well contested struggle, wind and rain hindering the game considerably.

The teams lined up as follows:
Sons of England—W. J. Bourne, goal; J. O. Williams and S. Ferry, fullbacks; E. Mansell, Bert Wearmouth and Eddie Craggs, half backs; W. J. Hemming, J. Kelsey, Percy Tinker, H. M. D. Lambie and Jimmy Farquhar, forwards.

Sons of Canada—H. Frizzell, goal; G. Mitchell and H. Menzies, fullbacks; W. Davis, V. Menzies and E. Tait, half backs; D. Robinson, W. Anderson, J. Marks, E. Warren and J. Finks, forwards.

During the first half Percy Tinker scored for the Sons of England and at half time they led 1-0. In the second half the Sons of Canada made a bold bid for victory. V. Menzies and J. Marks both registering goals.

E. A. Woods was referee and A. Clapperton and Frank Vickers linesmen.

PLAYED A DRAW.

In a practice football game on Wednesday evening at the Aeropolis Hill grounds the crews of the steamers Prince Rupert and Prince George played to a 2 all draw.

M. Fottland, of Seattle, is in the city on business.

Palace billiard room came through with a break of 110. Starting with twelve reds on the table the Frenchman went right along, making nine blacks and three blues, and then taking all the colors up to the black, missing the last ball right over the pocket. This is probably the best break ever compiled in the country, and certainly the best ever made in Winnipeg.

Another Yankee player is going to the hospital to have his tonsils taken out. The Yankee in question is none other than Babe Ruth, and, by the way of coincidence, he follows Bob Meusel, who had offending tonsils removed a short while ago and who with the Babe, was suspended by Commissioner Landis for forbidden barnstorming last fall.

Babe was to go to the hospital this week for the operation. He has been bothered by a cough and other disagreeable throat conditions, and his doctor attributes these to defective tonsils. Surgery isn't a new experience to Ruth, for his infected arm in the world's series last fall had to be treated, and he also has a big scar on his hand where the knife entered on another occasion.

"This Typewriting Gets on My Nerves"

"I WONDER if I am getting nervous. There must certainly be something wrong with me, for I am so tired in the mornings and do not seem to have the energy to transcribe the bunch of letters which I get every day.

"Of course, I have been working harder than usual to make up for those who have been away sick. Then I have been helping more at home while mother was sick. I suppose it all helps to tire one out and exhaust the nerves.

"But what was that I was reading about Dr. Chase's Nerve Food building up the nerves? Perhaps that is what I need. There was something about worry and anxiety breaking down the nervous system, and I have surely had my share of worry.

"That may account for my

headaches and sleeplessness, as well as for the tired feelings which I have all the time. Well, I am going to get some of Dr. Chase's Nerve Food today and give it a try-out."

Dr. Chase's Nerve Food is so gentle in action and yet so potent as a restorative that it is a great favorite with women of all ages. It seems to be admirably suited to the needs of their delicate nervous systems, and on this account it has come to be universally used as a means of restoring vigor and energy to a run-down, nervous system.

The healthful color and appearance of people who have used Dr. Chase's Nerve Food—the elasticity and vivacity of their movements—is the best evidence of the benefits they have attained. 50c a box, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.
