SOVIET STILL PRINTS MONEY

MOSCOW, Feb. 8.—More billions no longer suffice to indicate the amount of paper rubles annually issued by the Soviet government. It runs into trillions.

M. Krestinsky, the commissar of finance, has informed the Congress of Soviets that the government contemplates the issuance in 1922 of 23,000,000,000,000 of paper rubles which, he estimates, should have the buying power of 23,000,000 gold rubles.

He pointed out to the congress that this issue, while large in figures, is by no means large in buying power for it is based on his estimate that the gold ruble is equivalent in buying power to 100,000 paper rubles. These paper rubles are the ordinary medium of exchange.

He explained that the total paper issue of 1918 was 34,000,000,000 rubles, then worth 523,000,000 gold rubles. The issue for 1919 was 123,000,000,000 rubles, worth 390,000,000 gold rubles. The issue for 1920 was 985,000,000,000 rubles, worth 200,000,000 gold rubles. The issue for 1921 was 10,000,000,000,000 rubles, worth 200,000,000 gold rubles. This makes the total paper money issue to date 11,142,000,000,000 rubles.

The value of one gold ruble has been legally fixed at 100,000 paper rubles for the months of January, February and March, but when this rate was fixed a dollar, which is worth about two gold rubles, brought in the open market 250,000 to 275,000 paper rubles.

Backache

Backache is the outstanding symptom of kidney disease. Women often make the mistake of attributing other causes and overlook the derangement of the kidneys until serious developments have made it difficult to obtain permanent relief.

This letter points to a treatment which has been so thoroughly tried and proven so effective in the great majority of cases that you cannot afford to overlook it when it arises for its use.

Mrs. Albert Brunet, R.R. No. 1, Ottawa, Ont., writes:

"I have used Dr. Chase's Kidney-Liver Pills for the past two months, having been afflicted with kidney trouble. I used two doctors' medicine previous to this, without any good results. A friend told me to use Dr. Chase's Kidney-Liver Pills, and the second box made me feel a good deal better. I have now used about six or eight boxes, and am completely relieved."

strength of the government would be exerted to prevent disaster, as cabled at that time, Lord Reading added:

"We have no desire to interfere with the lawful activities of political parties however opposed to us but, although we are most anxious to redress all legitimate grievances and to remove the grounds of popular discontent, yet we cannot allow any political activity to impose its will upon the country by violence, intimidation, coercion or other unlawful means."

"There is today a natural and legitimate desire on the part of the vast majority of the people that the law should be respected and observed."

"I cannot but think that in some quarters there is a misconception of the position of the government of India. They have I verily believe, the support of the law-abiding citizens of India. It cannot be fairly said that we have abused this power. Indeed we are sometimes criticized for not having sufficiently exercised it and I readily admit that we sought to avoid action which might either be misconceived or misrepresented as too severe or as provocative."

POPE ENCOURAGED MAKING TAPESTRIES IN VATICAN PALACE

ROME, Feb. 8.—Pope Benedict before his death derived much pleasure from the school of tapestry which he has caused to be established among the many workers who spend their lives in decorating or repairing the immense palace of the Vatican.

The school is now in full working order and producing beautiful painted copies of the tapestry pictures. It is housed in some of the rooms of the old Papal mint, off the Vatican gardens and, after his afternoon walk, the Pope sometimes looked in to see how the work was progressing and to order fresh subjects.

The school has just completed a copy of Crivelli's Madonna, in the Vatican picture gallery, which it has taken 14 months to produce, and the Pontiff ordered a reproduction of the upper part of Raphael's marvelous "Disputa" which will measure 42 square yards, and will require seven or eight years to complete.

The Vatican contains the most glorious tapestries in the world, many of them almost unknown to the general public. There are the famous Raphael tapestries in the Stanza; the 15th century tapestries of the Borgia apartment; the incomparable Farnese tapestries and those by Louis XIV of France to the Pope of his day.

WOULD PROTECT THE SOCIALISTS

Proposal in Germany to Pass Law Similar to That of Lese Majeste.

BERLIN, Feb. 8.—The "Junker" press and the Socialists of Germany are at odds over a proposed law intended to protect members of the government from insult and to prevent anybody inciting others to violence against them. Announcement has been made that the government intends to introduce a bill in the Reichstag providing for imprisonment and fine up to 500,000 marks for persons found guilty of "insulting the constitution, the president or any member of the central or federated government."

The Socialists contend that the law is necessary to protect the country against violent and treacherous monarchistic propaganda and chicanery.

The Conservative and Nationalist newspapers protest against it as an attack on free speech and free thought. They accuse the Socialists of outraging their own principles, as they formerly fought against laws which protected several royal personages of Germany from slanderous statements.

The newspapers now opposing the bill have been wont to entertain readers with lengthy sarcastic or abusive articles about the republican constitution and the government's democratic political leaders.

HEARTBURN

A SEVERE CASE

Many people are troubled with heartburn who really do not realize just what it is.

In cases of this trouble there is a gnawing and burning pain in the stomach attended by disturbed appetite. It is generally caused by great acidity of the stomach, and whenever too much food is taken, is liable to ferment, and becomes extremely sour, causing heartburn. In such cases vomiting often occurs, and what is thrown up is sour and sometimes bitter.

The one way to get rid of heartburn is to keep your liver active by using

MILBURN'S LAXA-LIVER PILLS

and you will have no heartburn or other liver troubles such as constipation, jaundice, water brash, hoarse speech, before the eyes, coated tongue, foul breath, etc.

Miss Edith Cutting, Shallow Lake, Ont., writes:—"I have had heartburn for a long time. There were gnawing and burning pains in my stomach, and then when I vomited there was a sour and bitter taste. I used two vials of Milburn's Laxa-Liver Pills, and they have cleared me of my heartburn. I don't think they can be beaten by any other medicine."

Prior, 50c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
