## SHINGLE AND PLANING MILL ANNOUNCEMENT

Name of Purchaser Still Held Back but Statement Before Very Long.

J. B. Morgan, who returned Monday from a visit to Vancouver, saw the liquidator of the Charlotte Islands Spruce Products Limited and enquired as to the reported sale of the local shingle and planing mill. He was told that there was a tentative deal but the names of the purchasers had not yet been revealed. It will be yet a week or more before the deal is closed.

The liquidator said he felt confident the deal would be completed and the new purchasers will operate the mill.

Mr. Morgan also received assurances that the pulp mill project would go ahead but financial arrangements have not yet been completed and no definite announcement can yet be made.

**PRESENTATION MADE TO MALCOLM WOODS**

Popular Purser of Prince Rupert Honored by Shipmates When He Leaves Vessel.

On Monday night, before the steamer Prince Rupert sailed from Vancouver for the north, a presentation of a leather travelling bag and document case was made to Malcolm Woods, the retiring purser of the steamer, who is going to New York after a long service on the vessel. The presentation, which was on behalf of all the officers and men of the ship, was made by Capt. W. S. Moorehouse, who wished Mr. Woods all success and the best of luck in his new capacity. The recipient suitably replied.

**VOTING TODAY ON BYLAWS IS TAKING PLACE CITY HALL**

The poll for the Municipal Free Library and G. T. P. Assessment Agreement bylaw voting opened at 9 o'clock this morning and will continue until 7 this evening. Mayor Rochester was the first person to cast his vote after the doors opened. City Clerk E. A. Woods is in charge as returning officer and is being assisted by Harry W. Birch, deputy returning officer and poll clerk. The deputies are C. Barrie, Hugh Kilton and D. Howe. Over six hundred persons qualified to vote are registered, but it is not expected that more than 350 will cast their votes. Any owners of property in the city up to February 21 are qualified to vote whether their names are on the list or not. Sixty per cent. votes are required in each case to pass the bylaws. The results will be known within a short time after the polls close this evening.

The matter was then adjourned two weeks.

**FINAL AMATEUR GAME HOCKEY AT TORONTO**

TORONTO, March 22.—The Regina Victorias will play the Granites, the Ontario Hockey association champions, tonight in the last of the Allan Cup finals to be played in the east until 1924. The games next year will be played in the west, even though the Eastern champions successfully defend the trophy tonight.

## HEARTBURN

### A SEVERE CASE

Many people are troubled with heartburn who really do not realize just what it is.

In cases of this trouble there is a gnawing and burning pain in the stomach attended by disturbed appetite. It is generally caused by great acidity of the stomach, and whenever too much food is taken, is liable to ferment and becomes extremely sour, causing heartburn. In such cases vomiting often occurs, and what is thrown up is sour and sometimes bitter.

The one way to get rid of heartburn is to keep your liver active by using

**MILBURN'S LAXA-LIVER PILLS**  
and you will have no heartburn or other liver troubles such as constipation, jaundice, water brash, floating specks before the eyes, coated tongue, foul breath, etc.

Miss Edith Cutting, Shallow Lake, Ont., writes: "I have had heartburn for a long time. There were gnawing and burning pains in my stomach, and then when I vomited there was a sour and bitter taste. I used two vials of Milburn's Laxa-Liver Pills, and they have cleared me of my heartburn. I don't think they can be beaten by any other medicine."

Price, 25¢ a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co. Limited, Toronto, Ont.

**DIAMOND DRILLING AT COPPER RIVER IS PLAN OF LIQUIDATOR**

Immense Quantity of Coal in Sight at Property.

VANCOUVER, Mar. 22.—Extensive development work of coal properties on the Copper River is contemplated by the liquidator of the defunct National Finance Co. Limited. Application has been made to Mr. Justice Murphy for leave to proceed with borings by diamond drilling. His lordship withheld consent pending approval of the creditors.

A. E. Bull, who appeared for the liquidator, the Yorkshire and Canadian Trust Limited, stated surveys had been completed by several engineers and actual coal in sight on the Copper River was 15,000,000 tons. Areas adjoining this to the west were believed to be rich in coal and the supply estimated was from 300,000,000 to 500,000,000 tons. Last year A. G. Garde, mining engineer of Prince Rupert and Vancouver, took an option on the property, the purchase price being \$500,000.

Creditors representing claims aggregating \$164,000 out of a total of \$363,000 were in favor of proceeding with diamond drilling, said Mr. Bull. Two holes are to be sunk and will cost \$18,000.

The company has reduced its liabilities to the extent of \$2,000,000 by adjustments and settlements, explained counsel. The liquidator had \$40,000 cash in the bank. Other creditors resided in Eastern Canada and the Old Country and took little interest in the affairs of the liquidation. The Union Bank had a claim of \$64,000, of which \$20,000 was secured.

The National Finance went under in 1914 as the result of depreciation of its holding locally.

Mr. Justice Murphy declined to sanction the expenditure for drilling work unless the remaining creditors were notified.

The matter was then adjourned two weeks.

**TUG BERMUDA AT SWANSON BAY FOR SEASON'S SERVICE**

The tug boat Bermuda arrived at Swanson Bay last week with the barge Princess Louise in tow loaded with sulphur for the pulp plant. The Bermuda will remain in the north for the season as she will be used to tow the car ferry between Swanson Bay and Prince Rupert.

## DR. HALL'S FRIENDS RALLY TO HIS AID

Meeting Held Monday Night—Many Cheques Received for Cause.

VICTORIA, March 22.—The friends of Commissioners Hall and North are rallying to their aid and cheques are being received every day by the doctor to aid him in fighting the suits which have been brought against him for slander. The final act of the prosecution in putting bailiffs in the house has had the effect of rousing popular sympathy with a man who has given a great deal of his life to fighting the battles of the poor and carrying on a continuous campaign for better civic conditions.

The cheques and donations vary in size up to \$100 and some of them come from the most surprising sources.

There was a meeting here Monday night at which action was taken to raise funds to fight the cases and defray the costs.

EDMONTON TO SPEND MONEY

Number of Bylaws Being Prepared for Submission to the Ratepayers.

EDMONTON, March 22.—Bylaws to be considered by the city council at the next meeting for submission to the ratepayers include expenditure of \$75,000 for power house equipment, \$250,000 for telephone extension, \$26,000 for graveling Alberta Avenue, \$12,000 for comfort stations and \$150,000 for new isolation hospital.

The original recommendation for power house equipment as submitted to the council by the commissioners and was approved called for an expenditure of \$145,000 but since then the commissioners have reduced this amount to \$75,000. Water feed for condensers and new mechanical stokers for the power house are included in this estimate.

The new isolation hospital which it is proposed to build this year at a cost of \$115,000 will have 125 beds. The original estimates were for \$225,000 but

Commissioner Yorath states that this amount is far too large an expenditure for an institution of that kind and is of the opinion that it could be built for \$150,000 or less.

OIL IS FOUND NEAR LETHBRIDGE, ALTA.

LETHBRIDGE, Mar. 22.—There is considerable excitement here over the oil prospects. Last week a well was struck at Kevin, Montana, 18 miles south of the boundary, and the well gives promise of being a good producer. The well is capped and further drilling in the neighborhood is in progress.

There is much drilling on oil leases here in the Dominion lands office.

STEADY SHIPMENTS FROM PREMIER MINE

2500 Tons Taken Out Last Week Making 12,000 Tons in All.

STEWART, March 22.—The shipments from the Premier mine totalled 2500 tons for last week, this including concentrates from the mill and high grade ore. The total shipments for the year up to date amount to about 12,000 tons.

Steady improvements are being made to the mine equipment. The warehouse near the head of the tramline is completed and the new assay office is ready for use and will be occupied very soon.

Work on the dam for the power plant is about completed and efforts are now being concentrated on the flume and pipe line.

EDMONTON, March 22.—Ernest Joyal, eight years of age, died here from injuries received when he was run over by an automobile on Hastings Street during the shopping hour. H. E. Kaye the driver is held on a charge of manslaughter.

The boy had sneaked down town to buy a head necklace for his mother and tried to cross the street.
