A Genuine Gillette Safety Razor for \$1.

The patent expired and the price dropped from \$5 to \$1. It is the same identical article except that it has six blades instead of a dozen.

The Twinplex Stroppler \$5

These make a perfect combination that no man who shaves can afford to be without. The Twinplex sharpens the two edges, both sides, alternately. One blade lasts three months and every shave a perfect shave—better than with a new blade.

Our confidence in both is absolute and we offer either or both on one month's free trial. Your money back. You take no chances. Satisfied customers are our best advertisements. You must be satisfied.

Could Not Eat

Constipation is caused by a torpid condition of the liver. Dosing with salts, castor oil, etc., to move the bowels, cannot afford more than temporary relief.

If you are to rid yourself of this ailment and the scores of annoying symptoms and diseases which come in its wake, it is necessary to get the liver right by such treatment as is suggested in this letter:

Mrs. Alvin Richards, R. R. No. 1, Seeley's Bay, Ont., writes: "For two years I was afflicted with indigestion, and in the morning when I got up, my breath was bad. I had a poor appetite, and just felt like eating certain foods. I used many different medicines as a laxative without benefit, and the doctor's medicine did not help me at all. Finally I tried Dr. Chase's Kidney-Liver Pills, and found them better than anything I had ever tried. I can highly recommend them to anyone troubled with constipation or kidney troubles."
