After a poor season's opening, which involved the losing of the first two games they played, the Sons of Canada have now pretty firmly entrenched themselves at the head of the Senior Baseball League standing. They now have four wins to their credit with two losses against them and are three games ahead of the Elks and Knights of Columbus who have the cellar position divided between them. The Sons seem to have hit their championship stride and are little afraid of losing the advantage which they have now gained. The next league fixture is set for tomorrow night when the Knights of Columbus and the Elks are to meet to settle the cell dispute. The winner will take .500 standing with three losses and three wins while the loser will sink further down to .333.

The Sons of England have every intention of beating the Grotto in tonight's Senior football league fixture and gaining for themselves a place in the sun by tying with the Sons of Canada for the leadership in the league. A win by them tonight will mean that there will have to be a play-off with the Canucks for the city championship while a Grotto victory will give the Canadians the clear title. A record crowd of fans may be expected and it goes without saying that the Sons of Canada rooters will be out in force pulling for the tobacconists.

The three teams in the Anyox baseball league are now well launched and some interesting games are being watched by the fans in the smelter town as the second half of the schedule advances. The present standing of the league shows the Elks and Smelter with four wins and four losses each while the Mine is in the lead with five wins and four losses. The last game resulted in a victory for the Smelter by 7 to 5 over the Mine. George Corbie, formerly of this city, is still holding down the position behind the bat for the Mine.

Rogers Hornsby the star second baseman of the St. Louis National League club, bids fair to set a new National League home run record of considerable proportions. Already he has the league record of 24 home runs for a season equalled and there is still half the season to go. The question is—How far will Hornsby go? He has a fine chance to make a total of fifty if he keeps up his present speed and he surely should make forty. That is not as much as the elephantine record of Bambino Ruth, of the New York Yankees, but it is something. The National League will at last have a mark at which to point with pride. The Senior organization has had precious few crumbs of consolation in the way of individual achievement ever since the war and a triumph by Hornsby will be an event worth while. Hornsby is at a disadvantage compared with Babe Ruth in that he is a right-handed hitter, whereas Ruth and Kenneth Williams are left handed batters and have the easier job hitting the ball over the short right field fences in the major league parks.

SONS OF CANADA WIN FIRST GAME

Thrilling Overtime Lacrosse Last Night—S. O. C. 5—ELks, 4

One hundred and fifty or more fans were treated to four full fifteen minute periods and seven and one half minutes of overtime lacrosse last night in the opening league game, the Sons of Canada emerging victorious by a score of 5 to 4 over the Elks in as spirited and closely contested a game as could be wished for. At the end of the fourth period the score was 4 all and it was decided to play overtime, the first score winning. The Elks won the grade advtanage on the toss and Gray proved the hero of the occasion by scoring a pretty shot from corner and giving the honor to the Canucks.

George D. Tite was referee, T. B. Hooper and R. Bryson acted as goal arbiters and Harvey Fraser was time-keeper. The teams lined up as follows:

Elks—H. Lipsett, F. Fleming, Jack McAuley, F. Gilhuly, D. Wigglesworth, G. Mansell, J. Mitchell, B. Oliver, Eddie Smith, M. M. McLachlan, M. Gonzales and S. W. Taylor.

Sons of Canada—D. Brown, A. Saint, G. O. Shaw, B. Crossett, E. U. Lacasse, E. Mackintosh, H. Menzies, C. Blythe, W. Gray, H. Pringle (first two periods), D. Graham (last two periods and overtime), H. B. Scott and W. Blythe.

Opening Periods.

The scoring was opened by the Elks in the first period when McLachlan shot a pretty one in past Brown after some nice combination play and well handled passes. A delay was caused a few minutes later near the Elks' goal when Charley Blythe was struck with the ball. Crossett got clear when play resumed and missed a good chance and the ball was taken down to the Sons charge where McLachlan tried another which was well saved by Brown. Several tries were then made at Lipsett and the period ended in the centre of the field, only the one goal for the Elks having been scored.

The play livened up considerably after the opening of the second period and Scott put the ball close to the Elks' goal, the Sons making their first tally following a scrimmage in which it was difficult to tell whether the score was made by Elks or Canadian players. C. Blythe and S. Taylor made tries without avail though some pretty combination was displayed by the Elks. Bumps Oliver was successful in putting over the second for the Elks. Menzies was put off the field for three minutes for grabbing Lipsett shortly before the end of the period.

Third and Fourth.

Taylor scored for the Elks shortly after the opening of the third after a quick breakaway in which he met no opposition but that of the goal tender. Another score for the Sons of Canada followed through Mackintosh. Scott was put of fthe field for two minutes and some more good combination between Taylor and McLachlan followed. Brown made two good saves, however, and averted danger. The period ended 3 to 2 in favor of the Elks.

The Sons came into their own in the fourth and evened up by scoring two goals to the Elks' one. The first score for the Canucks was made by Mackintosh shortly after the opening followed soon with Taylor's equalizer, a quiet shot which nobody seemed to realize had been made but the goal judge. Gilhuly was given two minutes on the bench. Another scrimmage took place around Lipsett and Gray came out of the melee with the fourth for the Sons. A tustle around Lipsett's goal which followed resulted in another delay when McAuley's eye was injured necessitating the optic being bound up. The period ended four all.

Overtime.

The fun commenced in the overtime with the announcement being made of a sudden death finish. Things centered around Lipsett for a few minutes but the ball was cleared to the Son's end and nothing happened. The play moving southward again, Gray was successful in putting over a pretty and effective winner from the corner.

Speaking generally, there appeared to be a little too much long and inaccurate passing. However, there was some good combination play. Taylor and MacLachlan led in this for the Elks but came up against some good effective checking by Alex. Saint on several occasions. Mansell and Oliver also proved good sturdy stars for the Elks, LaCasse, Gray and Menzies, gave the Sons splendid service and Crossett, Mackintosh, C. Blythe and H. B. Scott were also very effective.
