A Genuine Gillette Safety Razor for \$1.

The patent expired and the price dropped from \$5 to \$1. It is the same identical article except that it has six blades instead of a dozen.

The Twinplex Stropper \$5

These two make a perfect combination that no man who shaves can afford to be without. The Twinplex sharpens the two edges, both sides, alternately. One blade lasts three months and every shave a perfect shave—better than with a new blade.

Our confidence in both is absolute and we offer either or both on one month's free trial. Your money back. You take no chances. Satisfied customers are our best advertisements. You must be satisfied.

WINNIPEG HOUSEING PLAN FOR YEARS IS TO BORROW \$800,000

WINNIPEG, Feb. 14.—The Winnipeg housing commission will provide for an expenditure of \$800,000 for housing purposes this year. Legislation to obtain this sum direct, through sale of city of Winnipeg debentures, will be sought, it was decided at the meeting of the housing commission.

Change of the housing bylaw to raise the income limit from \$3000 a year to \$4500 was endorsed by the commission. W. F. Welley, clerk of works, reported fifteen applicants receiving more than \$3000 a year had built in one outside municipality because they could not participate in the Winnipeg housing loan. The commission was of the opinion a good class of houses should be encouraged and prospective builders should be kept within the city by raising the income limit.

Only \$521 in Arrears.
The annual report, showing \$36,637 on hand and only \$521 in arrears for payments on loans, afforded the commission considerable satisfaction. A total of \$577,118 has been expended for housing purposes since the inception of the commission, the report showed. Operations for 1921 showed \$985,110 was handled during the year, \$829,572 of which was obtained for housing funds. Repayments totalled \$99,96, and the records showed \$25,746 paid in excess of the requirements.

H. C. Thompson, chairman and city treasurer, advised the commission it would be possible to borrow money this year on city debentures at approximately 5 1/2 per cent, and pointed out that the province required payment of interest on the same basis as outside municipalities.

MAY BE POSTPONED.

LONDON, Feb. 15.—It is announced officially that the British Empire exhibition advertised for 1923 is to be postponed until 1924. A British mission is now in South Africa working up interest in the exhibition and is due to arrive in Canada for the same purpose on August 19 next.
